The Naxal Threat V R Raghavan, 2011-05-18

Naxalism or Left Wing extremism is a major internal security threat faced by India Though Naxalism predates independence it was limited to small pockets of areas but now has spread to underdeveloped areas from Bihar to Tamil Nadu It is a well organized underground movement with an ideological base in rural areas spread over in the interior of many states The Naxal movement is a complex socio politico economic phenomenon Their violent methods against the government officials law and order agencies and business community are causes needing immediate and serious attention This volume is a compilation of five papers presented at a workshop organized by CSA in August 2010

Betwixt Development and Discontent Lalta Prasad, 2017-01-01

The book throws light on important dimensions of tribal development and discontent among the tribes who are living in the south eastern sub region of east west part of Uttar Pradesh It includes the whole Sonbhadra district and adjoining subdivisions of Mirzapur and Chandauli Allahabad and Chitrakoot The area is contiguous with tri junction of the vast country s tribal region lying in Jharkhand Chhattisgarh and Madhya Pradesh They have emerged as the main theater of Naxal activities The question of appropriate tribal centred development hardly ever arises at the policy plans What kind of development appears to be the more pertinent issue There is seeming paradox inherent in the situation because if we look at the tribals lying in Uttar Pradesh we find that there is relatively more manifest unrest and rebellion in the more developed South Eastern section i e Naugarh Chandauli alongwith Sonbhadra than in the Western Sector i e Southern portion of Mirzapur Allahabad and Chitrakoot districts Why tribes of this region have not been able to come at par with rest of the society even after more than Twelve Five Year Plans Why should there be relatively greater unrest and protest in the relatively more developed parts of this elongated geographic regions This brings in the question of the type of Mainstream development This sub section has witnessed since 1950s extensive mining string of large scale industries roads and other infrastructural investments which is itself a major causes of dalit unrest These development programmes induced displacement involuntary migration and resettlement and land alienation are the most important causes of their illiteracy poverty and enormous problems Scholars of Sociology Anthropology and Philonthropy will find the book informative and useful They will understand the real causes of their discontent and why they are in cluch of Naxalites whose distructive and mass killing activities have threatened the national law and order and development programmes of the country

Terrorism, Security and Development in South Asia M. Raymond Izarali, Dalbir Ahlawat, 2021-04-28 This book provides a rich analysis of the actors and organizations to reflect on the antecedents and trajectories of terrorism and insurgency in South Asia and the different countermeasures adopted by the countries to deal with the security and developmental challenges South Asia is a complex geography that has been both a victim and a playing field for indigenous insurgencies and domestic and transnational terrorist movements The contributors to this volume explore how this situation has posed serious challenges to the sovereignty of the states to national and human security and to the socioeconomic fabric of the communities and to the ethnic and religious cohesion The book provides detailed studies of country cases on terrorism security and insurgencies and it underlines the national regional and global implications of the threats that emanate from this region Presenting an opportunity to diversify away from a Western centric focus on terrorism and security this book will be valuable to researchers in political science criminology defense and security studies and to policy makers and think tanks
