the many lives of Romain Gary a hero fit for our times as well as his own *White Dog* Romain Gary,2004-12 Both a personal memoir and a French novelist's encounter with American reality *White Dog* is an unforgettable portrait of racism and hypocrisy Set in the tumultuous Los Angeles of 1968 Romain Gary's story begins when a German shepherd strays into his life He was watching me his head cocked to one side with that unbearable intensity of dogs in the pound waiting for a rescuer A lost police canine this white dog is programmed to respond violently to the sight of a black man and Gary attempts to deprogram it like his attempts to protect his wife the actress Jean Seberg like her endeavors to help black activists like his need to rescue himself from the predicament of being trapped lock stock and barrel within a human skin lead from crisis to grief Using the re-education of this adopted pet as a metaphor for the need to quash American racism Gary develops a domestic crisis into a full scale social allegory **Romain Gary** Dominique Bona,1987 **Romain Gary** David Bellos,2010-11-30 **The Films of Jean Seberg** Michael Coates-Smith,Garry McGee,2014-01-10 Here is the first comprehensive examination of the international film career of Iowa born actress Jean Seberg 1938-1979 Bursting onto the scene as star of Otto Preminger's controversial *Saint Joan* 1957 the 19 year old Seberg encountered great difficulty recovering from the devastating criticism of her performance The turnaround came in 1959 with her brilliant work in Jean Luc Godard's new wave classic *A bout de souffle* *Breathless* Though her Hollywood prospects were harmed by subsequent political involvements Seberg continued to work with some of Europe's finest directors Her later films offer a fascinating view of the movie industry in the 1960s and 1970s and of a courageous actress always ready for a new challenge A biographical sketch provides a framework for detailed scrutiny of her 37 films Background information and a critical evaluation is provided for each title *The Kites* Romain Gary,2019-09-24 Romain Gary's bittersweet final masterpiece is epic and empathetic BBC and one of his best *The New York Times* *The Kites* begins with a young boy Ludo coming of age on a small farm in Normandy under the care of his eccentric kite making Uncle Ambrose Ludo's life changes the day he meets Lila a girl from the aristocratic Polish family that owns the estate next door In a single glance Ludo falls in love forever Lila on the other hand disappears back into the woods And so begins Ludo's adventure of longing passion and love for the elusive Lila who begins to reciprocate his feelings just as Europe descends into World War II After Germany invades Poland Lila and her family go missing and Ludo's devotion to saving her from the Nazis becomes a journey to save his love his loved ones his country and ultimately himself Filled with unforgettable characters who fling all they have into the fight to keep their hopes and themselves alive *The Kites* is Romain Gary's poetic call for resistance in whatever form it takes A war hero himself Gary embraced and fought for humanity in all its nuanced complexities in the belief that a hero might be anyone who has the courage to love and hope **Impostors** Christopher L. Miller,2022-12-22 Miller takes us on an exciting tour of postcolonial and world literature guiding us through the literary maze of the real and the pretenders to the real Ngugi wa Thiong'o author of *Wizard of the Crow* Writing a new page in the surprisingly long history of literary deceit *Impostors* examines a series of

literary hoaxes deceptions that involved flagrant acts of cultural appropriation This book looks at authors who posed as people they were not in order to claim a different ethnic class or other identity These writers were in other words literary usurpers and appropriators who trafficked in what Christopher L Miller terms the intercultural hoax In the United States such hoaxes are familiar Forrest Carter s *The Education of Little Tree* and JT LeRoy s *Sarah* are two infamous examples Miller s contribution is to study hoaxes beyond our borders employing a comparative framework and bringing French and African identity hoaxes into dialogue with some of their better known American counterparts In France multiculturalism is generally eschewed in favor of universalism and there should thus be no identities in the American sense to steal However as Miller demonstrates this too is a ruse French universalism can only go so far and do so much There is plenty of otherness to appropriate This French and Francophone tradition of imposture has never received the study it deserves Taking a novel approach to this understudied tradition *Impostors* examines hoaxes in both countries finding similar practices of deception and questions of harm In this fascinating study of intercultural literary hoaxes Christopher L Miller provides a useful brief history of American literary impostures as a backdrop for his investigation of France s literary history of ethnic usurpation
