THE GOAL

A Process of Ongoing Improvement

This book is about progress. It's about the creation and acceptance of improvements—change for the better. It's about Jonah, Alex, Julie and others trying to understand what makes their world tick so they can make it better.

It's about a process of ongoing improvement. This novel perspective of organizations can be used to prevent the decline of manufacturing in the Western World — and the loss of our standard of living. Or we can allow these nations that compete with us to reap the fruits of our ideas thus accelerating their emergence as the leading economic powers in the world.
