Novel Language Learning Manual:

The Language Learning Manual Thomas T.,2021-08-24 Language learning is difficult this is what everyone say the reality is a bit different Language learning can be made easier if done in the right way This does not mean using magic formulas that will make you fluent in a month of course it only means that with the right methods and guidance everyone can learn another language or many languages in fact you do not need to be a genius or naturally gifted you only need the right knowledge which is what this book is all about Inside you will find How to choose a language How to start learning from zero How to learn even the hardest languages with the conquer the castle method How the brain memorizes words How to learn grammar and the right approach for learning and using grammar Special techniques including a technique to learn 3 languages at the same time A trick to use if you find hard to learn a new alphabet How to use your phone your chats and technology to learn languages without traveling abroad How to learn a language if you cannot speak with native speakers The important elements to consider when learning a language Customizing your learning based on your own nature and much more This book is made mainly for beginners and people who do not have a lot of experience with languages Follow us on instagram at _the_aurelian
