It's 2070 and climate change has ravaged the planet and destroyed national government, leaving cities to their own rule. Born with one arm and left for dead as an infant, Hope Mulder has struggled to find her place in life in the city of Prosperity Way. Hope's greatest desire is to be part of the Elite Front, a group of highly trained soldiers who protect the city, keep order, and carry out the wishes of the Supreme Valor, the ruler of Prosperity Way, but she faces the doubt and derision of those who see only her disability. At the age of twenty-one, Hope's dream is realized; she is accepted into the Elite Front training program. As she throws herself into her training, her loving adoptive parents try to warn her about the choices she is making and how they may set her on a path of no return.
