

Exoteric vs. Esoteric

Exoteric: intended for or likely to be understood by the general public; current or popular among the general public. From the greek adjective Greek, *exoterikos* (ἐξωτερικός): "*external, outside of.*"

Esoteric: intended for, or likely to be understood by, only a small number of people with specialized knowledge or interest; hidden; mysterious; beyond the range of ordinary knowledge, experience or perception; that which is communicated only to the **Initiated**. From the Greek adjective *esoterikos* (ἐσωτερικός): "*within, inside.*"

Critical Postmodernism in Human Movement, Physical Education, and Sport Juan-Miguel Fernandez-Balboa,1997-01-01 This book proposes alternative ways of looking at human movement and brings into question the traditional role of the human movement profession as an agent of social and cultural reproduction The authors argue that the profession has traditionally shaped physical activities in schools and communities in disempowering ways and has adversely influenced how people view their bodies apply physical activities to their lives and use and understand the knowledge in the field To raise awareness of the possibilities of postmodernism for human movement the contributors employ a critical postmodern conceptualization of the profession to explore the conflicts within it to ask what can be done to strengthen it to investigate how professional relations and meanings can be constructed within a new realm of justice freedom and equity and to discuss the professional and civic principles to which the profession should subscribe
