

THE GREAT GATSBY ACTIVITY PACKET

OVERVIEW

As we read *The Great Gatsby*, you will be expected to complete **all** of the critical thinking, analysis, and synthesis activities in this packet. In addition to receiving classwork grades for your work on each of the nine chapters in the novel, your completed assignments will be submitted on the day of the unit exam; collectively, they will be worth **one test grade**.

Additionally, you will be responsible for learning **all** of the words in the vocabulary section of this packet. You will be assessed over these words with objective questions on the chapter quizzes and on the unit test that you will take over the next few weeks.

As the activities in this packet will comprise a **significant** portion of your grade, it is fully expected that you adhere to **all** of the following guidelines:

- ❑ **Do not lose this packet.** Students who lose this packet will be expected to print a new one of the teacher's website on their **own** time and with their own printer before or after class.
- ❑ Unless otherwise specifically directed, respond to **all** of the questions, prompts, etc. in this packet in **complete sentences**. Students will not receive credit for responses written in incomplete sentence.
- ❑ Complete the chapter assignments in a **timely manner**. While we will answer many of the questions in this packet as a class, you will be expected to complete some of the activities independently. Do not wait until the last minute to do so or you will not get credit for the individual classwork grades when the various chapter assignments are checked during class.
- ❑ **Bring this packet to class with you every day.** We will be working on these assignments on a daily basis throughout the unit.
- ❑ Write **neatly** and be professional. You will lose points on the individual assignments and the collective test grade if your packet is crumpled or torn, if you have drawn all over it, or if your handwriting is illegible.

Students who follow all of the directions above have a wonderful opportunity to earn a very high grade on an assignment which will count as a test. My expectation is that all of my students take full advantage of this opportunity to improve their average for the second semester of English III.
