Grable, Swarn Chatterjee, 2022-03-07 The De Gruyter Handbook of Personal Finance provides a robust review of the core topics comprising personal finance including the primary models approaches and methodologies being used to study particular topics that comprise the field of personal finance today

The contributors include many of the world's leading personal finance researchers, financial service professionals, thought leaders, and leading contemporary figures conducting research in this area whose work has shaped and continues to affect the way that personal finance is conceptualized and practiced. The first section of the handbook provides a broad introduction to the discipline of personal finance. The following two sections are organized around the core elements of personal finance research and practice: saving, investing, asset management, and financial security. The fourth section introduces future research practice and policy directions. The handbook concludes with a discussion on an educational and research agenda for the future. This handbook will be a core reference work for researchers, financial service practitioners, educators, and policymakers and an excellent supplementary source of readings for those teaching undergraduate and graduate level courses in personal finance, financial planning, consumer studies, and household finance.

Veblen, 1994 *Personal Finance For Dummies* Eric Tyson, 2023-08-23 Sound personal money management advice with insights for today's world. *Personal Finance For Dummies* has been tackling financial literacy for 30 years.
