Literary Cultures and Twentieth-Century Childhoods Rachel Conrad, L. Brown Kennedy, 2020-09-12 This collection of essays offers innovative methodological and disciplinary approaches to the intersection of Anglophone literary cultures with children and childhoods across the twentieth century In two acts of re centering the volume focuses both on the multiplicity of childhoods and literary cultures and on child agency Looking at classic texts for young audiences and at less widely read and unpublished material across genres including poetry fiction historical fiction or biography picturebooks and children s television essays foreground the representation of child voices and subjectivities within texts explore challenges to received notions of childhood and emphasize the role of child oriented texts in larger cultural and political projects Chapters frame themes of spectacle self and specularities across the twentieth century question tropes of childhood explore identity and displacement in narrating history and culture and elevate children as makers of literary culture A major intent of the volume is to approach literary culture not just as produced by adults for consumption by children but also as co created by young people through their actions as speakers artists readers and writers

The A.I. Marketer Andrew W. Pearson, 2019-04-15 We seem to be living in the age of A I Everywhere you look companies are touting their most recent A I machine learning and deep learning breakthroughs even when they are far short of anything that could be touted as a breakthrough A I has eclipsed Blockchain and Crypto as the buzzword of today Indeed one of the best ways to raise VC funding is to stick AI or ML at the front of your prospectus and ai at the end of your website Separating fact from fiction is more important than it has ever been The A I Marketer breaks down A I machine learning and deep learning into five unique use cases sound time series text image and video and also reveals how marketing executives can utilize this powerful technology to help them more finely tune their marketing campaigns better segment their customers increase lead generation and foster strong customer loyalty Today Personalization the process of utilizing mobile social geo location data web morphing context and even affective computing to tailor messages and experiences to an individual interacting with them is becoming the optimum word in a radically new customer intelligence environment The A I Marketer explains this complex technology in simple to understand terms and then shows how marketers can utilize the psychology of personalization with A I to both create more effective marketing campaigns as well as increase customer loyalty Pearson shows companies how to avoid Adobe s warning of not using industrial age technology in the digital era Pearson also reveals how to create a platform of technology that seamlessly integrates EDW and real time streaming data with social media content Analytical models and neural nets can then be built on both commercial and open source technology to better understand the customer thereby strengthening the brand and just as importantly increasing ROI

The Hidden History of Coined Words Ralph Keyes, 2021-02-19 Written by one of the country s most experienced and entertaining etymological detectives The Hidden History of Coined Words provides a delightful excavation into the process by which words became minted Not only does Ralph Keyes give us the who what where

of it all but delights in stories that reveal the mysteries of successful coinage Dealing With Difference Chuck Grose,2019-09-30 Dealing with Differences is a pervasive issue everyone is faced with yet our responses are not always just and mutually enriching This book argues that our ability for empathy can become an internal lens to overcome the fear of differences Dealing with Differences begins with the reader s experience introspection and problem solving and the book often includes references to current events Within each chapter readers develop their own stories on dealing with difference This includes journaling about changing feelings and thoughts and applying chapter information to everyday experience Readers use empathy to address privilege race gender sexuality violence and other realities The pursuit of justice is encouraged Every reader can do something sometime somewhere to effectively deal with differences **Library of Congress Magazine** ,2017 **Players Magazine** ,1948 *The Players Magazine* ,1948 *Natural Gardening Magazine* ,1971 *The Baseball Bibliography* Myron J.
