Soccer Academy Business Plan:

Extraordinary Michael Dauphinee, 2018-09-04 The world sold you a map to success and you followed it only to find that the world's version of extraordinary is the trap of the ordinary Your to do list keeps growing you haven't been to the gym in weeks and your spouse wants more time with you You're doing your best but you're exhausted and unfulfilled How did you get here and where are you going Michael Dauphinee understands that you don't need a map with a final destination you need your own direction In Extraordinary Michael provides four points on a compass that help you discover and live out your God-given calling Identity Instead of telling yourself what not to be embrace who you are and utilize your natural strengths Permission Don't limit yourself Share your ideas and pursue your aspirations without needing approval from others Courage Overcome your fear of failure and close the gap between wishing and doing Generosity Don't tie your hope to your resilience Anchor to something bigger than yourself It's not too late to live an extraordinary life Unleash the power of your true north dream again and live in the direction of you
