**Parliamentary Papers** Great Britain. Parliament. House of Commons,1853 Calendar of State Papers, Relating to Ireland ,1877 Britain and the Spanish Civil War Tom Buchanan,1997-08-28 No foreign conflict has had a greater impact on modern British politics than the Spanish Civil War 1936 9 More than other conflicts of the 1930s in Abyssinia and China or more recent wars in Vietnam and Bosnia the Spanish Civil War served to galvanise political activity in Britain in support both of the Republican government and of Franco s Nationalist rebels Familiar aspects such as the role of the British government the intellectuals and the International Brigades are reinterpreted alongside the first detailed accounts of previously neglected subjects such as right wing and religious opinion In addition Buchanan shows how the Civil War acted not only as a symbol of anti fascism for the Left but also as a positive example of a New Spain arising from the ashes of the old Many archival sources are used to offer a stimulating interpretation of a subject of great significance to twentieth century Britain
