The Rule of Three: Fight for Power Eric Walters, 2015-01-20 In a world gone dark life goes on for Adam and his fortified neighborhood but the trade offs made for safety and security are increasingly wrenching and questionable.

The Rule of Three Eric Walters, 2014-01-21 One afternoon every single machine in sixteen year old Adam's high school computer lab stops working. Outside cars won't start, phones are down and a blackout is widespread. Soon Adam will discover that the problem has paralyzed not just his town but the whole country and beyond. As resources dwindle, crises mount and chaos descends, he will see that his suburban neighborhood must band together for protection. Violence will erupt and Adam will understand that having a police captain for a mother and a retired government agent living next door are not just the facts of his life but the keys to his survival. Set in the here and now but with a distinctly dystopian feel, this is Eric's most exciting and commercial title yet.

Nothing to Fear Eric Walters, 2014-03-11 Nothing to Fear is an episode inspired by The Rule of Three, the opening novel in Eric Walter's trilogy of the same name about the terrifying challenges faced by an ordinary suburban kid, his family and his neighbors in the first days and weeks and months after a viral catastrophe causes the world to go dark. Sixteen year old Adam Daley is taking his girlfriend Lori on a picnic in his homemade ultralight aircraft, one of the few computer free machines that still works. He wants to celebrate a surprise anniversary, only he knows about the first time he saw her at a junior high basketball game. But soon this attempt at a normal date away from the fortified safety of their neighborhood feels increasingly risky. As their gripping misadventure unfolds, it is a reminder for Adam and Lori that there is nothing in particular for them to be afraid of because in their world there is everything to fear.
