## **Romantasy Saga 2026 Guide:**

The Series Blueprint Heather Cardona, 2026-01-06 Plotting a series isn't just plotting one book repeatedly. It's a different creature entirely. If a standalone novel is a sprint, a series is a marathon, one with shifting terrain, expanding casts, escalating stakes, and the constant fear that you've written yourself into a corner by Book Three. The Series Blueprint is your long-range guide to building a series that actually works from the first book to the final payoff. This isn't a book of rigid formulas or paint-by-numbers outlines. It's a strategic framework for thinking like a series writer: planning with intention, pacing with purpose, and designing stories that grow instead of collapse under their own weight. Inside, you'll learn how to design a series with a clear destination before plot drift takes over. Choose the right series structure for your genre, audience, and goals. Build book-level arcs that serve a bigger long-form story. Decide between saga, episodic, or hybrid models with confidence. Track character growth, worldbuilding, and continuity without overwhelm. Balance creativity with strategy without killing your spark. Finish a series feeling proud instead of burned out. Whether you're planning your first series, halfway through a tangled one, or staring at a world that no longer makes sense, The Series Blueprint meets you where you are. Because a series isn't just multiple books. It's one long story told in deliberate stages. Plot it like one, and your future self will thank you. Probably with coffee.

**Warrior Queen Riza** Andres Alva Díaz, 2025-12-07 Book 1 **Warrior Queen Riza: A Dark Romance Queen of Blood Saga Book 1** Are you searching for dark epic fantasy with warrior queens, war strategy, and forbidden romance? **Warrior Queen Riza: A Dark Romance** tells the story of a singular female protagonist capable of forging legendary armies and conquering kingdoms through intelligence, discipline, and strength. After being rescued by Cassian, a legendary former general, Riza is trained from childhood in discipline, military strategy, and leadership. Under Cassian's guidance, she builds the Army of Blood from nothing, shaping it into one of the most feared and respected military forces across the continent of Terra Occasio. Forged through loyalty, discipline, and blood-bound purpose, this army becomes a symbol of absolute power. When Riza marches south, she faces her first great challenge: Prince Arlo, whose leadership unites a powerful coalition against her rise. As a dark and dangerous romance begins to take shape, the southern kings never cease in their ambition, relentlessly seeking Riza's death and the erasure of her name from history. Through conquest and relentless trials, Riza proves herself as a Queen of Blood, unlike any other: an active battlefield warrior, a brilliant military strategist, and a Queen Mother fiercely protective of her lineage and legacy, willing to defy kingdoms and destiny alike. As betrayal and political ambition threaten her realm and her bloodline, Riza is forced to make impossible choices while the Army of Blood lies dormant, awaiting the call of its true queen. Or her heir, Cassian, now bound by loyalty rather than command, stands as witness to the rise of a ruler who will surpass her mentor and reshape the fate of a continent. A novel of military epic fantasy, female leadership, strategy, and dark romance, perfect for readers seeking a powerful heroine, a legendary army, and a saga that redefines dark epic fantasy. Discover the beginning of this legendary saga and prepare for the awakening of the Army of Blood. Available now on Amazon. UPCOMING.
