Psychology Wayne Weiten, Douglas McCann, 2006 Psychology Themes and Variations First Canadian Edition brings a fresh Canadian perspective to the popular textbook by Wayne Weiten. While surveying psychology and its broad range of content, the authors have written a text that will satisfy both professors and students. This textbook is challenging to think about and easy to learn from. Themes emerge not only because Weiten reinforces them as the primary concepts of the text but also because the authors include careful discussion of the history of psychology. On every page, this textbook helps students capture the excitement of the field by emphasizing the ideas behind the facts.
