

A collection of plumbing tools and parts is arranged on a bright blue background. In the top left, there is a brass fitting with a red plastic cap. Below it is a single brass hex nut. To the left of the center, a pair of red adjustable pliers is shown. Another brass hex nut is positioned near the bottom center, partially overlapping the pliers. The title text is centered on the right side of the image.

A house is one of those things in life that you wish came with an owner's manual. Things break, spring leaks, and sometimes just need to be properly maintained, but you usually have to consult a separate guide for each issue. Not any longer! The Homeowner's Manual will help you get acquainted with your home and assist you in making decisions regarding maintenance and repair. Illustrations and a knowledgeable author will not only cover the basics from A to Z, but will also provide you with safety tips on how to protect your home from severe weather damage. What equipment to install for fire and carbon monoxide detection. Drills to conduct with your family. An easy-to-follow seasonal checklist lays out to-do items so that you can stay on top of home maintenance even when you're at your busiest. From appliances to pools to landscaping to walls, The Homeowner's Manual covers it all.
