and crushing sorrow when God seemed unwilling to respond or too far away to hear And yet even in the darkest times God was working writing an unseen story of redemption that would save the world When we pray how do we see beyond the immediate and into the eternal How do we know when to keep praying and when to give up when to consider something a promise from God and when to recognize that it was from our own imagination Why does silence from God rarely mean no and almost always mean come closer The One Year Praying in Faith Devotional answers these questions and many more taking you through a 365 day journey that will help you experience a prayerful relationship with God like never before

Before Creation, Planet Life, After Life Donzella Ervin, 2022-01-04 The purpose of this book Before Creation Planet Life After Life is to cause readers especially Christians to search for a broader perspective of Scriptures referencing man s existence before and after death I hope this work will initiate more thought as to when where and how we fit into God s mind and final plans for us If we embark upon this search looking at Scripture through traditional lenses we will miss seeing the things of God by the faith of God He is the one who invited us saying If any man lacks wisdom knowledge on any subject let him ask of God who gives to all men liberally holds nothing back from us Yet there are many church leaders who warn their parishioners against asking God questions concerning those things which plague their souls even though the book of Job is a good example that God is not intimidated by our questions Considering Job s experience and reverence for God while searching for answers I believe the result of our seeking and asking will bring us the comfort and steadfastness that we so desperately need in our times of sorrow and disconnectedness It may give us that blessed assurance that we have been are and will be forever with the Lord We re not strangers to Him because He said that He chose us in Him knew us before the foundation of the world was laid Ephesians 1 4 *Death, Dying, and Mysticism* T. Cattoi, C. Moreman, G. C. Harcourt, 2015-04-01 This volume offers a sample of reflections from scholars and practitioners on the theme of death and dying from scholars and practitioners ranging from the Christian tradition to Hinduism Lacanian psychoanalysis while also touching on the themes of the afterlife and near death experiences **Cosmic Preeminence** R L Coursey, 2018-06-26 Many who correctly exalt the preeminence of Christ in their theology may yet oppose His preeminence with their priorities Our priorities reveal our portion and location does not change that portion For the psalmist declared the preeminence of Christ in both heaven and earth Whom have I in heaven but Thee and there is none upon earth that I desire besides Thee Ps 73 25 Whenever there are two things that are good the believer who has his priorities aligned with the kingdom never rejects the lesser but always prefers the better And when one of these is finite and the other infinite there must be no competition in his choice Since Christ is preeminent in creation cosmic preeminence must be infinitely higher in our affections than cosmic redemption The new view on heaven is popular because it legitimizes the priorities of a consumer culture by always emphasizing the latter while merely including the former While both are equally true they are not truly equal The priority of the beatific vision is evidenced by the superiority of its object Therefore we should always emphasize the former without

failing to mention the latter Once creation and redemption are paired together in our priorities the preeminence of Christ slowly becomes less important and how to gain and or enjoy creation is always the primary emphasis both in this life and the next Like Christ we must differentiate between His kingdom and all those things that are merely added unto us in this life and on the future new earth With the Kingdom clearly in view we must prioritize that mandate Great Commission through which Christ has chosen to extend His kingdom and work of redemption in the world The Creation Mandate given before the Fall like all the commands is not redemptive in nature and the church is the only society of the redeemed Our new identity in Christ without eliminating infinitely supersedes our creation identity simply because Christ infinitely supersedes all creation in worth The problem with exchanging the Great Commission with the Cultural Mandate is that the present mission of Christ to build His church becomes secondary to His work of providence in culture the power of the gospel becomes secondary to the power of our example and moral influence on society and culture and the preeminence of Christ is no longer based on His person and work but on the success of our work among people We always proclaim what we are wrote Martyn Lloyd Jones by our priorities
