Development Communication Sourcebook Paolo Mefalopulos,2008-06-16 The Development Communication Sourcebook highlights how the scope and application of communication in the development context are broadening to include a more dialogic approach This approach facilitates assessment of risks and opportunities prevents problems and conflicts and enhances the results and sustainability of projects when implemented at the very beginning of an initiative The book presents basic concepts and explains key challenges faced in daily practice Each of the four modules is self contained with examples toolboxes and more *Development Communication Sourcebook* Paolo Mefalopulos,2008 The Development Communication Sourcebook illustrates why the field of development communication is important and how its tools and methods enhance long term and sustainable results The book presents basic concepts and explains key challenges faced in daily practice Each of the four modules is self contained with examples toolboxes and more [Strengthening Participation for Development Results](#) Asian Development Bank,2012-02-01 This revised edition offers updated information and an expanded range of tools to support ADB staff and stakeholders to implement participatory approaches effectively The updated content reflects ADB s new business processes and highlights key opportunities for participation in policy dialogue and throughout the project cycle and advises on methods and approaches as well as pitfalls to avoid In this edition special attention is given to safeguards gender governance HIV AIDS and infrastructure and water and sanitation A wealth of participation resources developed by a wide range of organizations exists online this guide includes an inventory of references for those seeking further information **Safer Homes, Stronger Communities** Abhas K. Jha,Jennifer Duyne Barenstein,Priscilla M. Phelps,Daniel Pittet,Stephen Sena,2010-01-15 Best practices in post disaster housing and community reconstruction are constantly evolving The frequency and severity of disasters are increasing and technology is changing how reconstruction is done Reconstruction projects must increasingly focus on the need to reduce future risks by ensuring that what is rebuilt is safer and more disaster resilient than what was there before The expanding role of communities in managing community reconstruction with financial and technical assistance from government is another way reconstruction is changing Safer Homes Stronger Communities is a handbook that gives policy makers and project managers the information they need to plan and carry out housing and community reconstruction projects that empower communities affected by disasters and that reduce their vulnerability to future disasters The handbook includes nearly 100 case studies collected from global experts with recent experience in housing reconstruction that illustrate how the policies and practical approaches recommended in the handbook have been used on the ground It also includes links to extensive technical information on the topics covered by the handbook and is complemented by a Web site for practitioners in the field <http://www.housingreconstruction.org> Designed to provide immediate guidance in post disaster reconstruction settings Safer Homes Stronger Communities is a vital resource for policy makers and project managers and for all practitioners involved in post

disaster housing and community reconstruction and disaster risk management **Participatory Communication** Thomas Tufte, Paolo Mefalopulos, 2009-07-02 What do we mean when we say participatory communication What are the practical implications of working with participatory communication strategies in development and social change processes What experiences exist in practice that documents that participatory communication adds value to a development project or programme The aim of this user guide on participatory communication is to provide answers to some of these questions Many communication practitioners and development workers face obstacles and challenges in their practical work A participatory communication strategy offers a very specific perspective on how to articulate social processes decision making processes and any change process for that matter Participatory approaches are nothing new However what is new is the proliferation of institutions especially governmental but also non governmental that seek participatory approaches in their development initiative This guide seeks to provide perspectives tools and experiences regarding how to go about it with participatory communication strategies It is conceived as a guide that hopefully can be of relevance and utility for development workers in the field It is targeted at both at government and their officials World Bank staff and at civil society

World Bank Research Program World Bank, 2008 **Community-Based Landslide Risk Reduction** Malcolm G. Anderson, Elizabeth Holcombe, 2013-01-22 This book has two main aims to demonstrate to international development agencies governments policy makers project managers practitioners and community residents that landslide hazard can often be reduced in vulnerable urban communities in the developing world and to provide practical guidance for those in charge of delivering Management of Slope Stability in Communities MoSSaiC on the ground The purpose of the book is to take readers into the most vulnerable communities in order to understand and address rainfall triggered landslide hazards in these areas Community residents are not just seen as those at risk but as the people with the best practical knowledge of the slopes in their neighborhood As used here community based means engaging and working with communities to find and deliver solutions to landslide risk together This approach leads governments to develop new practices and policies for tackling landslide risk This book standardizes those elements of MoSSaiC that have led to its successful implementation in the Eastern Caribbean and that are essential to the overall objectives such as community engagement mapping localized slope features and broad drainage design principles The book's nine chapters provide guidance to project managers and practitioners on the entire end to end process of community based landslide risk reduction While certain chapters are more directly relevant to one audience than another it is helpful for all audiences to read the getting started section of each chapter and be alerted to the nine project milestones *Global Perspectives on Journalism in Nepal* Bhanu Bhakta Acharya, Shyam Sharma, 2022-04-07 With more than 1000 newspapers 1100 local radios 200 television channels 3000 online news portals and over 80 colleges providing media education and training news media and media education are vibrant fields in Nepal This book provides a comprehensive overview of Nepal's news media including empirical studies critical reviews

Development Outreach, 2007 [Setting Standards for Communication and Governance](#) Lawrence J. M. Haas, Leonardo Mazzei, Donal O'Leary, 2007 This title outlines a number of practical initiatives to strengthen the role of development communication in infrastructure projects The authors aim to facilitate better quality projects and to build consensus on the type of governance reforms needed to fight corruption drawing on the experience of development agencies like the World Bank and Transparency International It starts by characterizing corruption

vulnerabilities in infrastructure and proceeds to illustrate where communication has added value on a number of recent projects both in regard to making the projects more sustainable and by incorporating anti corruption measures into the project preparation and implementation It draws on examples of mainly World Bank supported projects from the road transport power and water sectors in different governance contexts Five standard setting initiatives are then outlined which focus on promoting best practice to better integrate development communication into the project cycles of World Bank supported infrastructure projects
