

The main workspace is divided into two primary sections. The upper section is a piano roll, where a purple track is selected. It displays a melodic line with notes and rests across a grid of time and pitch. The lower section is a mixer, showing multiple tracks with various colored faders and knobs, used for adjusting volume and other parameters of each track.

The mixer console section features a series of vertical faders for each track, with a master section on the right. Below the faders, there are numerous knobs and buttons for detailed sound shaping, including EQ, compression, and reverb. The bottom of the interface shows a series of orange indicator lights, likely representing the status of various processing modules or effects.
