

Summative Assessment

Summative Assessment is used to measure the different ways learners use and apply knowledge, understanding, and skills. There are three components for this kind of assessment.

Written Work

This component ensures that learners can express skills and ideas in written form through: **essays, written reports, and other written output.**

Performance Tasks

This component allows learners to show what they know and what they can do in diverse ways through: **group presentations, oral work, research projects, etc.**

Quarterly Assessment

This component measures student learning at the end of the quarter through: **objective tests, performance-based assessments, or both.**
