A progress report...and a complete lack of suicidal thoughts.

You have compiled a very comprehensive body of information, Mr. Rake.

My motives for purchasing your program were perhaps a little different from some of your customers. But to be sure, there are similarities. One being the fact that my wife and I are separated.

It **COULD** be the best success story you could pass on. She is dazzlingly beautiful. We had thirteen years together, most of it...."great" (if I were going to be judging it by the same ass, sliding scale that uses mediocrity as it's baseline). But the reality of it was, there were tremendous imbalances within the relationship, and I was bored with it. She comes from a fairly wealthy family, and is something of an entitled brat on many levels. I'm a really creative, resourceful guy, and she is kind of a passive sloth that needs to be constantly amused.

To give this story the brevity it deserves, here is where I am at. (It was where I was at before I signed up for your Method, but I will get back to that rather important point in a moment).

She isn't my soul mate. My 'soul mate' would be less of an asshole.

I'm not interested in being "friends". I will be civil and polite, because I'm a polite guy, and I admire grace in the character of others. It's to my credit to embrace that. But we are done. All or nothing, and I choose nothing. Accept no substitutes.

I'm not even considering methodology to 'fix' it.

Result?

She is **DYING** to have me back. I hear this from her, her family members, and her friends (some of whom really want to fuck me... dumping a woman as hot as my ex carries a serious amount of sexual Plutonium).

Which brings me to:

Reverse Engineering.

It is fucking cool to do something, be happy as hell with the results, be able to look yourself in the eye with a smile on your face....

.....and **TRICK** discover the science to back up what you did.

I had caught glimpses of some of what is covered in your Methods...before I ever knew any of the mechanism behind it, but one instance really stands out...

I once found myself in a situation where I was speaking to a woman at her place of employment (She is a program director at a radio station). Casual small talk revealed similarities in our past, and we spoke for about a half hour. The point? It was a total roller coaster of a conversation, we talked about a club in a city we had both lived in once, what a great place it was, then I had mentioned that the part of town was a hellhole now, and how one of the guys who owned the place way back then had been killed, taking it back with a good story, had incidental, non-sexual touching going on, a ride down to the main floor in an elevator crowded enough that pulling her close to me was not an uncomfortable gesture.....then, shaking her hand as I was leaving, I noticed her wedding ring, I kind of bit my lip and said, offhand, "Gee, didn't know you were married...guess we can be friends, right?"

I have been getting emails from her for two years.

Fractionation at work. Implanted commands. Who knew? The bulbs of illumination sparkle around me....

I'm a happy motherfucker, Derek. I was happy going in, and in a lot of ways, this program makes sense of a lot of the behavior in the world around us. It is more of a philosophical work, the application of objective standards to manipulate subjective conditions. I am, indeed a manipulator of the world around me, and in my not so fucking humble opinion, that makes the world at large a better place.

One last little example of an 'implanted command', and application of "intrigue" before I wrap this up:

Ran into a pretty gal at the market after work Friday, kinda, sorta know each other, so within the "Attractiveness Scale", I'm starting up pretty high. We swap contact info, she sends me a bit with a cute pic of herself playing guitar. I sent her back a pic of my left hand playing an Fmaj7 chord (the first chord played in Isaac Hayes' "Theme from Shaft", over the "wahhh wahhh" guitar in G).

Tot back: "Mooooom....cool chord, where do I know that from?"

I send a pic of my left hand playing the next chord, an Em7...

Invited for dinner tonight.

Thanks, Mr. Hayes.
And thank you, Mr. Rake

Rick K. (Smiley Faced Motherfucker)
