The Almond Tree Alex Comfort,1942 *The Almond Tree* Michelle Cohen Corasanti,2022-07-01 Gifted with a mind that continues to impress the elders in his village Ichmad Hamid struggles with knowing that he can do nothing to save his friends and family Living on occupied land his entire village operates in fear of losing their homes jobs and belongings But more importantly they fear losing each other On Ichmad s twelfth birthday that fear becomes reality With his father imprisoned his family s home and possessions confiscated and his siblings quickly succumbing to hatred in the face of conflict Ichmad begins an inspiring journey using his intellect to save his poor and dying family In doing so he reclaims a love for others that was lost through a childhood rife with violence and loss and discovers a new hope for the future Reminiscent of *The Kite Runner* and *One Thousand Splendid Suns* this is an uplifting read which conveys a message of optimism and hope

The Almond Tree Robin Steves,2009-07-30 A long dirt road flanked by an orchard of blooming almond trees is the pathway to a mysterious and magical land The wondrous place lies somewhere deep inside the trunk of a giant almond tree Its a land full of danger and adventure but more importantly a land full of wisdom and knowledge A battalion of celestial honeybees chases an eight year old boy to the entrance of this place Joshie Levitt is mourning the loss of his parents and asking the question every human being asks about death and loss why A menagerie of strange creatures and unusual beings are waiting for his arrival and preparing their answers to his question Joshie is given the keys to the city but must first open all its gates and find all its treasures before he can return home to his grandparents farm Joshies quest for the ultimate answer will be both exciting and dangerous but worth the risk The experience will change his life forever *The Milk of Almonds* Louise A. DeSalvo,Edvige Giunta,2003-08 Often sentimentalized as nurturing through food Italian American women have continually struggled against this stereotype to speak of the realities of their lives In *The Milk of Almonds* more than 50 writers speak in voices that are loud boisterous sweet savvy and often subversively comical Drawing on personal and cultural memory rooted in experiences of food here Italian American women dissolve conventional images replacing them with a sumptuous communal feast of poetry stories and memoir Though they begin with food the writers in this collection quickly carry the reader into unexpected terrain as they bear witness to experiences often considered unspeakable A deeply satisfying literary banquet *The Milk of Almonds* is an unprecedented collection amply revising all received notions of what it means to be an Italian American woman Book jacket *Sermons* Thomas De Witt Talmage,1885 *The Almond Tree, a Legend, by Alex Comfort* Alex Comfort,1942 **HIGH ON THE MOUNTAIN** B. V. Johnson,2014-07-29 High on the Mountain is a prophetic and historical documentation of the Jewish people Four thousand years ago the Jewish people were

in an area which would two thousand years later be named by the Romans as Palestina God made a covenant with Abraham and his descendants that the land would be theirs forever Prophecy stated that the Jewish descendants would go into captivity Four hundred fifty years later they were led from their Egyptian captivity and occupied the land of their fathers High on the mountain of Moriah was a city called Jerusalem which would become their capital city under David There was also a thirty five acre plot of land that had been dedicated as the Temple Mount and would become known to the world as the holiest plot of land in the world The Jewish people and their beloved city would survive until 587 BC when they were taken into captivity by the Babylonians They would return to the land that they considered their homeland They were almost completely destroyed by the Romans in AD 70 and would be scattered throughout the world The land became a desolation and unproductive just as prophecy had stated Although they have been subjected to a multitude of attacks cruelties persecutions and deaths by the millions they would again return to their beloved land and become the Nation of Israel They would reclaim their capital city of Jerusalem and the Temple Mount A land that was said to be dead forever would again flourish and become productive Why was this land so important What is their claim to the land Who actually owns the land How could a land become productive again and better than before What has the prophetic word of God said about this land and these people High on the Mountain will address all these questions and much more
