Audition Ryu Murakami, 2010-06-07 The long awaited translation of the novel behind the cult classic Japanese movie In this gloriously over the top tale Aoyama a widower who has lived alone with his son ever since his wife died seven years before finally decides it is time to remarry Since Aoyama is a bit rusty when it comes to dating a filmmaker friend proposes that in order to attract the perfect wife they do a casting call for a movie they don't intend to produce As the resumes pile up only one of the applicants catches Aoyama's attention Yamasaki Asami a striking young former ballerina with a mysterious past Blinded by his instant and total infatuation Aoyama is too late in discovering that she is a far cry from the innocent young woman he imagines her to be The novel's fast paced thriller conclusion doesn't spare the reader as Yamasaki takes off her angelic mask and reveals what lies beneath

Popular Hits of the Showa Era Ryu Murakami,2011-01-31 From the author of Audition a wickedly satirical and wildly funny tale of an intergenerational battle of the sexes In his most irreverent novel yet Ryu Murakami creates a rivalry of epic proportions between six aimless youths and six tough as nails women who battle for control of a Tokyo neighborhood At the outset the young men seem louche but harmless their activities limited to drinking snacking peering at a naked neighbor through a window and performing karaoke The six aunties are fiercely independent career women When one of the boys executes a lethal ambush of one of the women chaos ensues The women band together to find the killer and exact revenge In turn the boys buckle down study physics and plot to take out their nemeses in a single blast Who knew that a deadly gang war could be such fun Murakami builds the conflict into a hilarious spot on satire of modern culture and the tensions between the sexes and generations *Lay Baby* V.A Sola Smith,2021-03-31 Britpop has burst its bubble Cool Britannia has hit its come down and the Asbo Generation have come of age It is 2004 in the North West of England Fifteen years old Lay Baby has nine months before school ends before her mother signs the estrangement papers before her name gets dropped into the council house raffle barrel and before the excuse I m a kid expires as abruptly as a child s library card Left the blank
