First Nations Education Policy in Canada Jerald E. Paquette, Gérald Fallon, 2010-10-30 How can First Nations schools in Canada offer a curriculum that is at once authentically and deeply Aboriginal while comparable in content quality and standards to provincial and territorial education First Nations Education Policy in Canada is a critical analysis of policy developments affecting First Nations education since 1986 and a series of recommendations for future policy changes Jerry Paquette and Gerald Fallon challenge the fundamental assumptions about Aboriginal education that have led to a Balkanized and ineffective educational system able to serve few of the needs of students To move forward the authors have developed a conceptual framework with which to re envision the social political and educational goals of a self governing First Nations education system Offering a sorely needed fresh perspective on an issue vital to the community First Nations Education Policy in Canada is grounds for critical reflection not only on education but on the future of Aboriginal self determination

The Communications Revolution at Work Queen's University (Kingston, Ont.). School of Policy Studies, 1999 No area of technology has developed faster or affected contemporary society more pervasively than electronic communications Networked computers linked through the internet have enabled finance commerce and manufacturing to function in a virtual environment unconstrained by time and space Boundaries have also been removed in voice image and data transmission once normally provided through discrete media Although the effects of these developments are large their significance is far from clear This collection of eleven original papers by British and Canadian experts examines a wide range of practical consequences of the current revolution in communications technology and reconsiders the actual depth of changes so far produced in the economy and society

Parameters of Power Keith Archer, 2002 Streamlined and rewritten to meet the needs of the market Parameters of Power now fits the one term Canadian Politics course much better and is more balanced than ever before The defining questions of modern Canadian politics are about institutions and the ways in which they shape our political life Capturing the underlying logic of federalism the Charter of Rights electoral systems and many other areas Parameters of Power tries to make sense of issues as they move dynamically from one institutional arena to the next By giving social and cultural factors greater prominence the third edition recognizes Canada's social diversity and inequalities much more so than any competing text
