Permission to Feel Marc Brackett, Ph.D.,2019-09-03 The mental well being of children and adults is shockingly poor

Marc Brackett author of *Permission to Feel* knows why. And he knows what we can do. We have a crisis on our hands and its victims are our children. Marc Brackett is a professor in Yale University's Child Study Center and founding director of the Yale Center for Emotional Intelligence. In his 25 years as an emotion scientist he has developed a remarkably effective plan to improve the lives of children and adults: a blueprint for understanding our emotions and using them wisely so that they help rather than hinder our success and well-being. The core of his approach is a legacy from his childhood from an astute uncle who gave him permission to feel. He was the first adult who managed to see Marc listen to him and recognize the suffering, bullying and abuse he'd endured. And that was the beginning of Marc's awareness that what he was going through was temporary. He wasn't alone, he wasn't stuck on a timeline and he wasn't wrong to feel scared, isolated and angry. Now, best of all, he could do something about it. In the decades since, Marc has led large research teams and raised tens of millions of dollars to investigate the roots of emotional well-being. His prescription for healthy children and their parents, teachers and schools is a system called RULER, a high-impact and fast-effect approach to understanding and mastering emotions that has already transformed the thousands of schools that have adopted it. RULER has been proven to reduce stress and burnout, improve school climate and enhance academic achievement. This book is the culmination of Marc's development of RULER and his way to share the strategies and skills with readers around the world. It is tested and it works. This book combines rigor, science, passion and inspiration in equal parts. Too many children and adults are suffering; they are ashamed of their feelings and emotionally unskilled, but they don't have to be. Marc Brackett's life mission is to reverse this course, and this book can show you how.

Emotional Intelligence 2.0 Deep Art, 2020-09-05. Don't neglect to teach your kids a solid emotional intelligence to help them become strong to weather the storm coming up in teenage years. Emotional Intelligence is a vital skill for children, often overlooked. Not only is it overlooked, but there are seldom good workbooks available aimed directly at children. This activity book is a treasure trove of wonderful exercises that get kids thinking about their own emotions, create self-esteem, empower good behaviors and habits, and develop consideration for others. This section of the Youth Deployment Activity Guide is designed to give you additional age-appropriate resources that are helpful in teaching your child about emotions. The emotional and social skills that are presented were written in order to help you grow your child. The sections include Intrapersonal Skills, Interpersonal Skills, Adaptability, Stress Management, and General Mood. Each section is further divided into sub-skills that address such things as Problem Solving, Happiness, Flexibility, and other critical emotional and social competencies. We encourage you to use these activities throughout the deployment process and beyond.

Understanding Feelings Pagewell Co, 2025-12-30. Big feelings are part of growing up. Sometimes they feel loud, confusing or hard to explain. [Learning Made Fun!](#) A S Jackson, 2022-09-06. Kids may find emotions confusing and frustrating at times. Building emotional intelligence in kids is essential for their development and future success. Emotional intelligence is our ability to identify emotions in ourselves and others, understand these emotions, and then use them to guide

our thinking and behavior It includes self awareness and self regulation This book provides educational activities to teach kids about the various emotions they may feel and how to regulate those emotions so it results in positive reactions and acceptable behavior This Book Offers Activities to Identify Emotions Activities to Match Emotions Emotion Sorting Activities Emotion Puzzles Emotion Drawing I Feel Sentences

Emotional Intelligence for Kids Jordan Boow,2025-03-25 What if your child could understand their emotions express them with confidence and connect more meaningfully with others Many children experience big emotions they cannot explain frustration they cannot manage and friendships they do not know how to build In a world that moves fast and demands more kids are often left trying to navigate their inner world without guidance Emotional outbursts social anxiety and misunderstandings become part of their daily struggles leaving them feeling confused isolated or misunderstood Parents and teachers too feel stuck wondering how to help children handle their feelings without shutting down or lashing out This book offers a thoughtful and practical solution by walking children through what emotions are how they work and how they can be handled with care confidence and kindness Through engaging stories colorful illustrations relatable characters and hands on activities children are gently guided to understand themselves better and interact more positively with the world around them From calming down when angry to recognizing a friend s feelings this book teaches the skills that create emotionally strong and socially capable kids With this book your child will learn how to Identify and name their emotions clearly Understand body signals and emotional triggers Develop calming strategies for managing anger fear and sadness Build empathy and recognize the feelings of others Strengthen their friendships and resolve conflicts peacefully Grow their emotional vocabulary and self awareness Practice healthy habits that support everyday emotional well being Help your child grow from overwhelmed to emotionally smart from reactive to reflective and from uncertain to empowered Give them the tools they need to thrive one feeling at a time Get your copy today
