thematic learner's dictionary of the Uzbek language. It includes up to 1500 essential words and phrases belonging to the Beginner level A1 CEFR. The entries are divided into 150 vocabulary themes as well as 1 learning step. They are arranged by themes, not by the alphabet. The book is intended to help you try out and learn this language but can also be applied for translating or entertaining. You may use it separately or as an additional tool for any suited educational course. The MultiLinguis Project is based on the Wiktionary corpus and created by one person. The database of the Learner's Dictionaries includes 9 000 lemmas (words and phrases), their translations in many languages, as well as transcriptions, transliterations, and grammar information. All these lemmas are divided into 6 learning steps of 1500 entries each, and also 150 vocabulary themes grouped in 30 super themes. They can be arranged by themes, steps, parts of speech, or keywords, but never by the alphabet. Different types of dictionaries are offered for the same language. They are designed in an original way to be convenient and efficient. All of them are available in mobi format. MultiLinguis is presently able to publish such books for more than 70 languages. It's planned to improve them and increase their number. You can find more dictionaries in this store.
