[Love and Narrative Form in Toni Morrison's Later Novels](#) Jean Wyatt, 2017-03 In *Love and Narrative Form in Toni Morrison's Later Novels* Jean Wyatt explores the interaction among ideas of love narrative innovation and reader response in Toni Morrison's seven later novels *Love* comes in a new and surprising shape in each of the later novels for example *Love* presents it as the deep friendship between little girls in *Home* it acts as a disruptive force producing deep changes in subjectivity and in *Jazz* it becomes something one innovates and recreates each moment like jazz itself Each novel's unconventional idea of love requires a new experimental narrative form Wyatt analyzes the stylistic and structural innovations of each novel showing how disturbances in narrative chronology surprise endings and gaps mirror the dislocated temporality and distorted emotional responses of the novels' troubled characters and demand that the reader situate the present day problems of the characters in relation to a traumatic African American past The narrative surprises and gaps require the reader to become an active participant in making meaning And the texts' complex narrative strategies

draw out the reader's convictions about love about gender about race and then prompt the reader to reexamine them so that reading becomes an active ethical dialogue between text and reader Wyatt uses psychoanalytic concepts to analyze Morrison's narrative structures and how they work on readers Love and Narrative Form devotes a chapter to each of Morrison's later novels Beloved Jazz Paradise Love A Mercy Home and God Help the Child **Toni Morrison's Song of Solomon** Jan Furman, 2003 Milkman Dead was born shortly after a neighborhood eccentric hurled himself off a rooftop in a vain attempt at flight For the rest of his life he too will be trying to fly As Morrison follows Milkman from his rustbelt city to the place of his family's origins she introduces an entire cast of strivers and seeresses liars and assassins the inhabitants of a fully realized Black world Toni Morrison Solomon Ogbede Iyasere, Marla W. Iyasere, 2010 Examines the individual author's entire body of work and on his/her single works of literature **Love's Virtues** Mike W. Martin, 1996 This book brings together a sensitive understanding of love and an unusually careful even painstaking analysis of the enormous but often neglected role of morality and the virtues in love Martin's discussions of such virtues as caring courage fidelity and honesty are superb the examples well chosen the argument personal but nevertheless rigorous the prose accessible and enjoyable to read

A Scream Goes Through the House Arnold

Weinstein,2007-12-18 For too long we have been encouraged to see culture as an affair of intellect and reading as a solitary exercise But the truth is different literature and art are pathways of feeling and our encounter with them is social inscribing us in a larger community Through art we discover that we are not alone So writes the esteemed Brown University professor Arnold Weinstein in this brilliant radical exploration of Western literature In the tradition of Harold Bloom and Jacques Barzun Weinstein guides us through great works of art to reveal how literature constitutes nothing less than a feast for the heart Our encounter with literature and art can be a unique form of human connection an entry into the storehouse of feeling Writing about works by Sophocles Shakespeare Dickens Charlotte Bront Munch Proust O Neill Burroughs DeLillo Tony Kushner Toni Morrison and others Weinstein explores how writers and artists give us a vision of what human life is really all about Reading is an affair of the heart as well as of the mind deepening our sense of the fundamental forces and emotions that govern our lives including fear pain illness loss depression death and love Provocative beautifully written essential *A Scream Goes Through the House* traces the human cry that echoes in literature through the ages demonstrating how intense feelings are heard and shared With intellectual insight and emotional acumen Weinstein reveals how the scream that resounds through the house of literature history the body and the family shows us who we really are and joins us together in a vast and timeless community
