A Lutheran Toolkit Ken Sundet Jones,2021-02-09 The Lutheran in the title doesn t mean The Lutheran Toolkit is just for Lutherans It s about a Lutheran witness for the whole church and for all sinners with ears to hear It s a slender book about the big theological ideas the evangelical reformers of the 16th century used as a lens for understanding God s work in Christ Starting with Piliip Melanchthon s 1530 Augsburg Confession which was drafted to defend the preaching and teaching of Luther and his colleagues Ken Sundet Jones sees its primary themes as a set of tools that God uses to build faith in us He takes the reader beyond scholarly analysis and historical explanations and uses his own experience as a college professor parish pastor and sinner looking for mercy to discover God s handiwork in our lives Each chapter takes as its starting point one of the foundational ideas presented to the Holy Roman Emperor and representatives of the church including Sin God hidden and revealed justification ministry the Christian life the church sacraments and vocation These are not simply theological categories for scholars to debate or historians to recount They re the lived experience of the faithful from the first believers to big thinkers like Augustine and Luther to people in the pews at the supper table in their careers and at their deathbeds throughout the ages The tools in this kit continually point to Jesus as the one who promises mercy and abundant life and who has the power to deliver them This is a word for those who ve not yet heard it and for those who desperately need to hear it again [Being Lutheran Today](#) Carsten J.
