## **Managerial Economics 4th Edition:**

**Managerial Economics, 4th Edition** Ivan Png, 2013-09-11 Now in its fourth edition Ivan Png's *Managerial Economics* has been extensively revised with a completely new introductory chapter emphasizing decision making and behavioral biases. Intensive application to current issues including the subprime financial crisis and global competition as well as streamlined presentation focusing on the economics that managers need to know. As always the text presents the key concepts of microeconomics intuitively without requiring any sophisticated mathematics. Throughout it emphasizes actual management application and links to other functions including marketing and finance. The new fourth edition is updated with fresh up-to-date discussion questions from all over the world and enhanced with detailed instructor supplements. It is an ideal text for any course focusing on the practical application of microeconomic principles to management.

**Managerial Economics 4th Ed.** Petersen & Lewis, 2005

**Managerial Economics** Petersen / Jain, 2006-09 *Managerial Economics* offers a lively presentation of analytical and empirical tools for managerial decision making. This edition increases the emphasis on managerial applications with more problems, case studies, and questions. With this book students will not only receive a complete and rigorous introduction to the basic principles of microeconomics but also learn how the application of economic theory can improve decision making.

*Managerial economics* S. Charles Maurice, Christopher R. Thomas, Charles W. Smithson, 1992

Maurice Thomas *Managerial Economics* teaches students how to use microeconomic theory to analyze business decisions. In a clear and engaging writing style the 7th edition explores the current market forces that create both opportunities and constraints for business enterprises. The book has enjoyed success in part because of its mid-level rigor. This edition also features a stronger emphasis on international perspectives and updated examples from today's high-tech economy. Strategic decision making in oligopoly markets has been modernized.
