Amplified Lee Ann Spillane, 2015-03-31 In *Reading Amplified Digital Tools That Engage Students in Words Books and Ideas* you can look over Lee Ann's shoulder at her computer screen or into her classroom as she guides students to deeper reading and engagement with digital tools ranging from the Google Book search concordance feature to comic strip software. Spillane seeks to take the tedium out of routine tasks we need to teach. By now we've all seen examples of Wordle, the technology app that converts chunks of text into a word cloud featuring words of different sizes according to their prevalence in the text. But you haven't seen the real power of Wordle until you've seen Lee Ann Spillane's high school students use it to analyze patterns and symbolism in *The Great Gatsby*. In *Reading Amplified Digital Tools That Engage Students in Words Books and Ideas* you can look over Lee Ann's shoulder at her computer screen or into her classroom as she guides students to deeper reading and engagement with digital tools ranging from the Google Book search concordance feature to comic strip software. Spillane seeks to take the tedium out of routine tasks we need to teach. Her instruction is infused with technology that energizes students but her focus is always on deep learning that motivates them to become passionate and independent readers. It's about the teaching, not the tool, she reminds us. I do a lot of learning right beside my students. **The John**

Rothbauer,2018-03-01 Drawing on scholarly research findings this book presents a cogent case that librarians can use to work towards prioritization of reading in libraries and in schools Reading is more important than it has ever been recent research on reading such as PEW reports and Scholastic s Kids and Family Reading Report proves that fact This new edition of Reading Matters provides powerful evidence that can be used to justify the establishment maintenance and growth of pleasure reading collections both fiction and nonfiction and of readers advisory services The authors assert that reading should be woven into the majority of library activities reference collection building provision of leisure materials readers advisory services storytelling and story time programs adult literacy programs and more This edition also addresses emergent areas of interest such as e reading e writing and e publishing multiple literacies visual texts the ascendancy of young adult fiction and fan fiction A new chapter addresses special communities of YA readers The book will help library administrators and personnel convey the importance of reading to grant funding agencies stakeholders and the public at large LIS faculty who wish to establish and maintain courses in readers advisory will find it of particular interest **Grass**

As a Symbol For Life and Death in Walt Whitman's "Song of myself" Teresa Ruß,2019-03-22 Research Paper
undergraduate from the year 2017 in the subject American Studies Literature grade 2 3 University of Erfurt course Nature in American Poetry language English abstract In this paper the author concentrates on one of Walt Whitman s most important poems Song of Myself which is an exploration of the author himself nature and his surroundings especially the symbolism of grass in it The author starts by classifying Leaves of Grass in American Literature and to put the title of the book in context with the usage of grass in the poem In the main part of the paper she is of course going to focus on the grass how it is used and what it means spanning themes of individuality knowability of nature and ecology also using theoretical approaches by Greg Garrard W J T Mitchell and Lawrence Buell Whitman tries to abstractly answer those questions for himself especially considering how frail Americans must ve felt on the brink of the Civil War and over the controversy of the slave trade The theory brought forward is that the grass in the poem symbolizes humanity and life but also death and decay which is in one way a stark contrast But then again it also makes total sense after having read the whole poem because it all connects in the life span of a human being Reading Horizons ,2010 **Talking Book Topics** ,2010-07 **For Younger Readers; Braille and Talking Books** ,2010 **Digital Talking Books Plus** ,2010
