### **PROFESSIONAL ENGINEER RECOMMENDATION LETTER**

It is my great pleasure to write this letter for the support of the application of Mr. XXXXXX Baral, a student of mine and colleague later, who is preparing to submit the application for the graduate study in "Water Science and Engineering". I know Mr. Baral for last 8 years during his studies in Agricultural Engineering at this institute and later as a Teaching Assistant at the Institute of Engineering, Department of Agricultural Engineering. He has completed the four years Bachelor's Degree course in Agricultural Engineering in November 2004. After completing the study, he had worked as Agricultural Engineering in Agriculture Implement Research Center, Birgunj, Nepal and later he joined this institute as a Teaching Assistant in Department of Agricultural Engineering. He left this institute after January 2007 after 17th January 2007 for his higher professional achievement succeeding in Public Service Commission examination, as an employee of Government of Nepal. He was actively involved in research and technology dissemination works in the areas of Agricultural Engineering.

Now he is preparing to submit application seeking admission and scholarship to pursue graduate study leading to M.Sc. Degree in Water Science and Engineering in UNESCO-IHE, I believe that he has made a right choice of subject for his academic and professional advancement.

I have no hesitation to mention him as good, sincere, diligent and competent engineer who is capable to carry out his higher study with best academic result. I strongly feel that his abilities professional experience qualify him for your program. He has excellent communication skill and ability to get along with the people in different environment. He has excellent command in written and spoken English. I am confident he will have no problem adjusting to and getting along with the educational and cultural environment in The Netherlands during his graduate study.

I strongly recommend his candidature to pursue his further education under your program.

I hereby hope that you will consider my observation and remarks in evaluating his application. I wish him every success in his carrier development.
