Re: Apartment unit tour Draft saved at 11:00 AM

Hi Dianne,

I recently came across your apartment listing and I am interested in exploring the space. Could you please arrange a tour at your earliest convenience? I am available on Wednesdays and Fridays after lunch, but I am flexible and willing to adjust my schedule.

During the tour, I would like to view the apartment. Additionally, it would be helpful to discuss the pricing and amenities.

Please let me know the next steps to schedule a tour.

Best regards,  
Katy Reed

Hayden, 2017-07-06 Communication defines political representation At the core of the representational relationship lies the interaction between principal and agent the quality of this relationship is predicated upon the accessibility of effective channels of communication between the constituent and representative Over the past decade congressional websites have become the primary way constituents communicate with their members and a prominent place for members to communicate with constituents Yet as we move toward the third decade of the 21st century little work has systematically analyzed this forum as a distinct representational space In this book Jocelyn Evans and Jessica Hayden offer a fresh timely and mixed methods approach for understanding how the emergence of virtual offices has changed the representational relationship between constituents and members of Congress Utilizing strong theoretical foundations a broad historical perspective elite interviews and rich original datasets Evans and Hayden present evidence that virtual offices operate as a distinct representational space and they demonstrate that their use has resulted in unprecedented and ill understood changes in representational behavior Congressional Communication in the Digital Age contributes to the scholarship on representation theory and its application to the
