**The Path Is the Goal** Chögyam Trungpa, 2011-06-07 Lessons on the true purpose and power of meditation from one of the great masters According to the Buddha no one can attain basic sanity or enlightenment without practicing meditation It is the essential spiritual practice and nothing else is more important In *The Path is the Goal* Ch gyam Trungpa teaches us to let go of the urge to make meditation serve our ambition thus we can relax into openness We are shown how the deliberate practice of mindfulness develops into contrived awareness and we discover the world of insight that awareness reveals We learn of a subtle psychological stage set that we carry with us everywhere and unwittingly use to structure all our experience and we find that meditation gradually carries us beyond this and beyond ego altogether to the experience of unconditioned freedom The teachings presented here all in Trungpa s concise accessible style provide the foundation that every practitioner needs to awaken as the Buddha did
