**Abstract.** The Lapindo Mud is a natural disaster occurred 13 years ago and still erupts today. Of course this disaster affects the people who live around it. The people who are the victims of the mud disaster is still survive. Therefore, it is important to understand how this people could survive in this disaster situation. Thus, the purpose of this quantitative, correlational study is to investigate the relationship between gratitude and psychological well-being for the resident around Lapindo mudflow. This research used quantitative method with survey. The scale used was The Gratitude Questionnaire-Six Item Form (GQ-6) developed by McCullough to measure the level of gratitude and Javanese Psychological Well-being Scale developed by Palupi to measure psychological well-being. The result showed that there is relationship between gratitude and psychological well-being in the population/resident around Lapindo mudflow.

## 1 Introduction

May 29, 2006, was a historical moment for Sidoarjo, East Java. On that day, blazing hot 100°C of gas and mud erupted from the ground. That phenomenon, or rather, natural disaster, later known as “Lumpur Lapindo” or Lapindo mudflow. Lapindo mudflow flooded some nearby villages in three different districts of Sidoarjo [1-4]. The villages which were flooded are located in three different districts named, Tanggulangin, Porong, and Jabon. The villages that got flooded were Renokenongo Siring (east side), Jatirejo (east side), Glagaharum (west side), Kedungbendo Ketapang (east side), and Besuki (west side) [4]. The area growth of those three districts categorized as very dynamic and have a highly populated citizens because of the industrial region, settlements, and the main access to the bigger cities in south and east side of Sidoarjo [5]. Apart from those villages, “Lumpur Lapindo” also flooded nearby factories, lands, and Surabaya-Gempol highway [6].

The happening of Lapindo mudflow has caused some issues to arise. The point of eruption of the mud was located on highly populated settlement. This causes tens of thousands of citizens to bear the socio-economic burden [1]. The east side of Lapindo mudflow is a shrimp aquaculture area. Mud that came out caused pollution in the area so

### **The Relationship Between Gratitude And Psychological Introduction**

In the digital age, access to information has become easier than ever before. The ability to download The Relationship Between Gratitude And Psychological has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Relationship Between Gratitude And Psychological has opened up a world of possibilities. Downloading The Relationship Between Gratitude And Psychological provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Relationship Between Gratitude And Psychological has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Relationship Between Gratitude And Psychological. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Relationship Between Gratitude And Psychological. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that

prioritize the legal distribution of content. When downloading The Relationship Between Gratitude And Psychological, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Relationship Between Gratitude And Psychological has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
