

INFORMATIONAL READING COMPREHENSION:**THE HARLEM RENAISSANCE:
A LEGACY OF CULTURE, CREATIVITY, AND CHANGE**

Read the text, and then answer the questions that follow.

- 1 **What do you envision** when you hear the word *renaissance*? You might think of certain historical periods, music albums, films, or companies that use the term. In most of those instances, the word is associated with the ideas of renewal, creativity, and transition. That's because the word *renaissance* comes from the French word for "rebirth," and it's used to describe a cultural movement or time period defined by immense artistic and intellectual creativity.
- 2 One such cultural movement was the Harlem Renaissance, which took place during the 1920s and '30s in New York City. During the Harlem Renaissance, African American artists, writers, musicians, and thinkers came together to celebrate their heritage and create art that reflected their lived experiences.

A TIME OF GREAT CHANGE

- 3 After slavery was outlawed in the U.S. in 1865, African American leaders sought to create a new identity as a free people—an identity that openly celebrated their culture and encouraged individuals to embrace their heritage. In the early 1900s, many Black artists, writers, and scholars experimented with creative methods of self-expression. Using their voices and talents, they set out to challenge the harmful beliefs about African American people that had persisted for centuries. This exploration of identity helped fuel the surge of creative expression that took place during the Harlem Renaissance.

- 4 Another factor that contributed to the emergence of the Harlem Renaissance was the Great Migration. Between 1910 and 1940, millions of African American families left the South, where Jim Crow laws made anti-Black prejudice, segregation, and violence legal. Families moved to cities in the North and Midwest, such as New York, Chicago, Detroit, and Pittsburgh, to find better living and working conditions. During the same time, job opportunities became available to women and people of color as a result of the labor shortages caused by World War I (1914–1918).

THE HAPPENING PLACE OF HARLEM

- 5 By the 1920s, the New York City neighborhood of Harlem had become the hub of a thriving African American community. Although only three square miles in size, the neighborhood soon represented the largest concentration of Black people in the country. Harlem was seen as a place where great things could happen, and people flocked there to be a part of that experience. Its small size, vibrant community, and busy entertainment scene made Harlem an attractive center for the powerful creative and cultural movement.
