reader This type of imagery integrates five senses vision auditory gustatory kinesthetic and olfactory This kind of imagery has been crafted by the writer to exhibit various themes of the novel Different and opposed themes are knitted as well as juxtaposed in an artistic way McCarthy uses figurative language as he blends literary devices like symbolism personification metaphors and similes very well to create this language which gives a simple prose a poetic touch and makes it sensitive It appeals to the senses of the reader and invokes feelings and emotions in the readers These literary devices are significant in changing the literal meaning of the words and non literal meaning is comprehended by analyzing the images and symbols that the writer uses McCarthy s craftsmanship is revealed in analysis of these two forms of language that create horrifying and shocking images of the ruined world yet make the prose striking and attractive to the readers **The Road, Cormac McCarthy** Angie Barillaro,2014 **Cormac McCarthy's Literary Evolution** Daniel King,2024-01-12 Daniel King has performed a service long overdue for scholars and avid readers of McCarthy s work Incorporating correspondence to and from his editors and agents and relating comments he penciled into the margins of his in progress manuscripts King has given us a finely detailed portrait of the craftsman at work It s an enjoyably readable account of how the master bricoleur revised reconsidered and ultimately built the novels which so challenge and delight us Rick Wallach editor of Myth Legend Dust Critical Responses to Cormac McCarthy When the New York Times published the first print interview with Cormac McCarthy in 1992 the author was barely known outside a small group of academics writers and devoted readers None of his books up to that point had sold more than five thousand copies in hardcover But that same year McCarthy s All the Pretty Horses made the best seller lists and over the next two decades with the publication of such books as No Country for Old Men the basis for the Coen brothers Oscar winning film and The Road a Pulitzer Prize winner and an Oprah s Book Club selection McCarthy became a household name In Cormac McCarthy s Literary Evolution Daniel Robert King traces McCarthy s journey from cult figure to literary icon Drawing extensively on McCarthy s papers and those of Albert Erskine his editor and devoted advocate at Random House as well as the latest in McCarthy scholarship King investigates the changes that McCarthy s work as a novelist his writing methods and the reception of his novels have undergone over the course of his career Taking several of McCarthy s major novels as case studies King explores the lengthy process of their composition through multiple drafts and revisions the signal contributions of the author s agents and publishers and McCarthy s growing confidence as a writer who is strongly attentive to tone and repeated metaphors and images This work also reveals the wide range of McCarthy s reading and research especially of historical and scientific materials as well as key intertextual connections between the novels Part literary biography part archival investigation and part study of print culture this book is particularly revealing of how one talented writer properly nurtured by dedicated allies went on to gain a huge measure of recognition and respect which has become increasingly difficult for serious authors to achieve in today s profit driven publishing world DANIEL ROBERT KING currently resides and teaches in Britain His articles have appeared in the

International Journal of Comic Art Literature and Medicine and Comparative American Studies *The Road by Cormac McCarthy* Adam Ford, 2007 *A Study Guide for Cormac McCarthy's The Road* Cengage Learning Gale, 2015 **The Role of Morals in Cormac McCarthy's "The Road"** Charlotte Bahr, 2013-09-06 Seminar paper from the year 2011 in the subject English Language and Literature Studies Literature grade 1 3 University of Würzburg language English abstract The Road Cormac McCarthy's tenth and Pulitzer Prize winning novel tells the story of an unnamed man and his son trying to survive in the aftermath of a nuclear catastrophe that left Earth stuck in atomic winter where nearly all animals and plants are extinct ashes are falling from the sky and the ground is burned and barren Following the road throughout the country their goal is to reach the coast in hope for a better future On their way they constantly struggle with starvation sickness and the threat of thieves and cannibals that roam the road Except for some clothes and the food they find in abandoned houses and supermarkets they have nothing but each other to hold on to The novel follows these two characters on their journey through a post apocalyptic America seeing how the catastrophe ripped apart civilization and turned most of the people that are still alive into cannibalistic savages that do anything to survive and have practically abandoned any kind of moral In contrast to that the man and his son still follow a moral code albeit the father doesn't follow it as strictly as the son does But in an environment like this where people do whatever it takes to ensure their survival having morals and values gets the man and his son in several dangerous situations yet they stick to their beliefs and insist that they are the good guys in a world full of bad guys In this seminar paper I will discuss the role of morals in the novel especially in the lives of the man his son and the savages they encounter on their way Where does the faith in these morals come from In what situations does the father abandon this code and why I will also consider the advantages and disadvantages that morals and values have for the two and why they still insist even after witnessing some extremely brutal situations to continue carrying the fire through a world where the human race is on the verge of extinction and even God seems to not care anymore Is there any hope left for a world where morals could mean something again or do the man and his son ultimately fight for a lost cause Cormac McCarthy's "The Road". Social Interactions and Social Relations Sebastian Simbeck, 2018-11-19 Seminar paper from the year 2014 in the subject Didactics for the subject English Literature Works grade 3 3 1 3 University of Paderborn Institut für Anglistik und Amerikanistik course It's the end of the world as we know it The Apocalypse and other End of the World Narratives language English abstract In this essay I'd like to take a look at social interactions of individuals who find themselves in a world where known values, beliefs and rules seem to be invalid and where the individual survival seems to be the only aim to strive for But is survival the only need of people The Road with its cold, bitter and ashen world where ethics and morale are lost where society as we know it is completely absent is a good basis for this research Maybe you'll be good at this I doubt it but who knows The one thing I can tell you is that you won't survive for yourself I know because I would never have come this far A person who had no one would be well advised to cobble together some passable ghost

McCarthy The Road Action is rational in so far as it pursues ends possible within the conditions of the situation and by means which among those available to the actor are intrinsically best adapted to the end for reasons Parsons 1937 These two epigraphs the first from Cormac McCarthy s The Road and the second from Parsons Structure of Social Action give us a slight hint about the importance of social relations and interactions and their outcomes As a consumer of this kind of post apocalyptic media you re thrown into these settings by either waking up from a dream or by regaining consciousness The setting and the new world order are already fixed Either people try to survive for their own while searching and hoping for others in order to have a higher chance of surviving or they are already a part of a community which fights against others in order to survive In both cases on the other hand those communities already do exist and in both cases it s always a question of the good against the bad While dealing with post apocalyptic media several questions came to my mind How came those communities and groupings and into being Which role do social interactions and social relations play in order to form a new kind of social system s after the previous known world order got destroyed by an apocalyptic event Social sciences usually deal with the reasons of social interactions and relations But they depend on existent fixed social values rules laws morale and religious believes since those aspects influence the actions of each and every individual
