The Secrets Of House Music Production 3rd Edition:

On the Track Fred Karlin, Rayburn Wright, 2013-07-04 On the Track offers a comprehensive guide to scoring for film and television. Covering all styles and genres, the authors, both noted film composers, cover everything from the nuts and bolts of timing, cueing, and recording through balancing the composer's aesthetic vision with the needs of the film itself. Unlike other books that are aimed at the person dreaming of a career, this is truly a guide that can be used by everyone, from students to technically sophisticated professionals. It contains over 100 interviews with noted composers illustrating the many technical points made through the text. The Secrets of House Music Production Marc Adamo, 2010 A guide to producing cutting edge house music covering making beats, drum sounds, basslines, remixes, instrumentals, FX, and more. Includes a CD with more than 300 audio samples.

The Radio Station John Allen Hendricks, Bruce Mims, 2018-05-01 The Radio Station offers a concise and insightful guide to all aspects of radio broadcasting, streaming, and podcasting. This book's tenth edition continues its long tradition of guiding readers to a solid understanding of who does what, when, and why in a professionally managed station. This new edition explains what radio in America has been, where it is today, and where it is going, covering the basics of how programming is produced, financed, delivered, and promoted via terrestrial and satellite broadcasting, streaming, and podcasting. John Allen Hendricks and Bruce Mims examine radio and its future within a framework of existing and emerging technologies. The companion website is new, revised with content for instructors, including an instructor's manual and test questions. Students will discover an expanded library of audio interviews with leading industry professionals, in addition to practice quizzes and links to additional resources. *The ...
