The Star Beast:

The Star Beast Robert A. Heinlein, 2012-03-01 LummoX has been the pet of the Stuart family for generations With eight legs a thick hide and huge and growing size LummoX is nobody's idea of man's best friend Nevertheless John Stuart XI descendant of the starman who originally brought LummoX back to Earth from a distant planet loves him John isn't about to let the authorities take his pet away and with his best friend Betty determines to save LummoX even if it takes leaving the life he's known forever However what John and Betty don't realize is that the survival of the Earth itself may depend on the true nature of The Star Beast An all time great science fiction coming of age classic from seven time Hugo winner and Dean of Science Fiction Robert A Heinlein At the publisher's request this title is sold without DRM Digital Rights Management

The Star Beast Robert A. Heinlein, 1977 LummoX had been the Stuart family pet for years Though far from cuddly and rather large it had always been obedient and docile Except that is for the time it had eaten the secondhand Buick But now all of a sudden and without explanation LummoX had begun chomping down on a variety of things not least a very mean dog and a cage of virtually indestructible steel Incredible John Thomas and LummoX were soon in awfully hot water and they didn't know how to get out And neither one really understood just how bad things were or how bad the situation could get until some space voyagers appeared and turned a far from ordinary family problem into an extraordinary confrontation Copyright Libri GmbH All rights reserved
