**The Way of Prophetic Leadership** Jennifer Campbell, 2015-06-01 This book seeks to address both the bewilderment and desire for prophetic visionary leadership in the contemporary church by a discussion of two significant revivals of the 1600s the English Nonconformist Quakers and the Protestant French Huguenots How can prophetic vision be incorporated successfully into the ministry of the church Campbell argues that the mission of the apostle evangelist pastor and teacher is to be prophetically inspired and led in every way by the union of the Word the Person of Jesus Christ and the Person of the Holy Spirit Publisher

**Summary of Kevin Leman & William Pentak's The Way of the Shepherd** Everest Media, 2022-07-25T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The seven principles of leadership taught to McBride by his professor Dr Jack Neumann had a profound impact on him They unlocked more of the secrets about becoming a great leader than any other principle or program he'd ever encountered 2 I landed the position at General Technologies and I was excited about it I was scared to be a manager though because I had never supervised anyone before I asked my mentor Dr Neumann for help He agreed to give me his Saturdays to help me learn how to manage people 3 I stood on the corner of Speedway and Inner Campus Drive wondering if I wasn't the dumbest MBA on campus I had my job after all But I was curious about Dr Neumann's sheep ranch so I went with him 4 The first lesson in managing people is to recognize that people are not sheep They have feelings and they need to be treated with respect

**The Way of the Dragon or the Way of the Lamb** Jamin Goggin, Kyle Strobel, 2021-08-31 Rediscover the wisdom of the cross and the power that truly sets you free Pastor Jamin Goggin and theology professor Kyle Strobel invite you on a journey to uncover Jesus seemingly

contradictory way to power weakness Why do so many rock star pastors implode under the spotlight How have so many Christian leaders and institutions been lured by toxic and abusive power Why are so many Christians tempted to chase worldly success and status Because according to Jamin Goggin and Kyle Strobel rather than seeking kingdom power embodied by Jesus our churches and leaders have embraced a form of power that is antithetical to the cross In *The Way of the Dragon* or *The Way of the Lamb* Goggin and Strobel help you see a different kind of leadership a richly biblical vision of power through weakness This revised and updated edition also features a brand new chapter for those who've been impacted by toxic and abusive power Join the authors on a journey to gather wisdom from great sages of the faith such as J I Packer Dallas Willard Marva Dawn John Perkins James Houston Eugene Peterson As you listen in on their conversations you will rediscover the wisdom of the cross and the power that truly sets us free *The Way of the Dragon* or *The Way of the Lamb* will not only shape your leadership and your ministry but it will also shape your soul and reorient you to the way of Jesus

**The Way of Wizards and Kings** Melissa Wilds, 2005-08-18 The night to come would be one for the ages And these were the people who would play a magical and glorious role in the turning of events For the thirteenth generation would take a step in history that night down that path that makes men wizards and kings Thus begins a tale of three young humble shepherds whose destiny takes them far beyond their flock and acknowledges their noble and forgotten ancestry Chosen by elves Byron Corwin and Cherish embark on a journey that takes them through perilous woods hidden fortresses and unlikely allies Their adventures incorporate magic awakened talents and their undying commitment toward the better good for all In this classic tale of good versus evil magic does not seem so impossible when coupled with simple goodness spirit and unrivaled courage as three unlikely heroes come of age in turbulent times
