

## Basic Bible Interpretation

- Can the Bible really be understood?
- Are Old Testament prophecies relevant for today?
- How can I understand the symbolism of the Book of Revelation?
- What is the relationship of the Old Testament to the New Testament?

Why study Bible interpretation? Dr. Roy Zuck points out that it is essential for understanding and teaching the Bible properly, essential as a step beyond observation, and essential for applying the Bible correctly.

He discusses the challenges of Bible interpretation, considers the problems of Bible interpretation, explores the history of Bible interpretation, and defines key terms—all in a practical, down-to-earth way.

Though Dr. Zuck's many years of teaching and scholarship are evident in this book, he has written in language understandable to all who are serious about Bible study and who want to know better what Scripture means.

**Roy B. Zuck** is Senior Professor/Emeritus of the Bible Exposition Department at Dallas Theological Seminary, where he has served on the faculty since 1973. Dr. Zuck has written or edited seventeen books on Christian education and biblical studies, and has earned degrees from Biola University (A.B.) and Dallas Theological Seminary (Th.M. and Th.D.). He was associate editor of *Bibliotheca Sacra* (Dallas Seminary's theological journal) from 1974 to 1985, and has been editor since 1986.

**Basic Bible Interpretation** Roy B. Zuck, 1991      **Satan's Strategy to Curse Christ's Congregation** Andy Woods, Keith A. Sherlin, 2010-10-01 Dr Sherlin has worked diligently to show the importance of elder rule What he has done is restore us to sound principles that come straight from the Bible His book is a must for every assembly that wants to remain strong rather than go the way of the culture I cannot recommend his book enough Dr Mal Couch In this work the author sets out the biblical case for congregations being ruled by a plurality of Godly men known as elders This work is meticulously footnoted and documented making it an invaluable resource for the layman and scholar alike Dr Andy Woods Keith writes in a manner that is precise and with a fluidity of understanding of current day church leadership The tone of his writing is shared in love and there are no judgmental undertones that permeate his thoughts I would wholly recommend this reading to all who profess Christ as their Lord Pamela Rogers Dr Keith has presented a solid case for authoritative leadership in the church His book is a call for us to return to biblical leadership and be presbyters instead of politicians Dr C V Varnado Do you believe that your local assembly is full of conflict confusion and or compromise Are you familiar with the strategy of Satan and his methods to undermine the grace love and truth of Christ's body This work makes a clear and convincing case that many problems in congregations occur because the body has adopted a flawed foundation of church government and doctrine that is more political than biblical How much or to what degree has Satan made inroads into your spiritual family and leadership body Read and judge for yourself and if necessary seek to apply the prescribed remedy to the problem

one of the most important task and challenging to the human beings It is imperative for all the committed Christians to lean learn and live with the Biblical truths As such the knowledge and application of Scripture is an utmost necessity to be grounded upon the word of God The necessity of Scripture means that the Bible is necessary for knowing the gospel for maintaining spiritual and moral life and for knowing God s will but is not necessary for knowing that God exists or for knowing something about God s character and moral law Basis of Preaching Biblical Message Preach the Word is for the glory of God the building up of the church and society and the spreading of the Gospel to the ends of the earth that is to all the creation Biblical preaching is centered around and takes its content from the inerrant Word of God True Biblical preaching aims at life change Biblical preaching also comes through the personality of the preacher Some communicators or preachers are encouragers some are confrontational Some are humour while others use sound logic and well reasoned content It is not good to fall into the trap of trying to mimic your favourite preacher Instead learn from them and develop your own style as a good communicator Rev Dr Koningthung Ngoru Moyon presents Biblical Preaching in his book Basis of Preaching Biblical Message Preach the Word is both an art and a science It is a science in the sense that there are rules and principles of communication that we are to follow It is an art in that each person brings his own unique personality and style to the preaching experience Preaching is truth through personality Both are necessary However the very important and foremost focus in the book is that Biblical Preaching is empowered by the work of the Holy Spirit is focus in the book
