

SBAE introduces improved agricultural innovations to locally contextualized knowledge, through concrete experiences on a school demonstration farm.

SBAE asks students to reflect upon their experiences and observe the tension between existing agriculture knowledge and introduced agriculture innovations.

SBAE allows students to test out their new or modified ideas in real world settings through home entrepreneurship projects giving rise to new experiences.

SBAE integrates experiences, reflections and evidence-based knowledge, provided by the agriculture teacher or extension agent, allows students to create new ideas or modify existing concepts to solve problems.
