Red Rising and Philosophy Courtland Lewis, Kevin McCain, 2016-11-10 Red Rising and Philosophy has gathered together a crew of the wisest Helldivers philosophy can offer Could humanity's love of physical enhancements cause its extinction Do people doom humanity by trying to all be the same Can a person love someone while at the same time wanting that person destroyed Is equality always the best principle on which to organize society What is evil and how does it exist in contemporary life Does one remain the same person even after changing every physical aspect of one's body Is it moral to sell oneself into slavery whether it's through sex or manual labor Is it ethical to sell one's children into slavery on the promise that their children will live in peace and tranquility These questions and more are what make Brown's Red Rising trilogy such an impactful story Brown pulls no punches and philosophy works best in such an environment Red Rising and Philosophy is not for the timid or the faint at heart It's not The Passage since no one will die from reading it but reading it could be a life changing experience
