Social Problems Norman Allan Dolch, Linda Bell Deutschmann, Helen K. Wise, 2007-01-01 Social Problems explores the consequences of symbolic interactionism in society a theory which contends that people attach meanings to symbols such as language or gestures and base their behaviors on their interpretations of these meanings Norman A Dolch Linda Deutschmann and Helen Powell compile a number of critical and innovative essays that explore different aspects of society including mental illness race relations terrorism and family life

How Can We Solve Our Social Problems? James A. Crone, 2015-10-29 Many of today's social problems poverty crime racism sexism drug abuse unequal access to quality health care or education threats to the environment over population can seem intractable James A Crone's How Can We Solve Our Social Problems Third Edition is designed to give students studying these types of social problems a sense of hope Unlike the standard survey texts that focus heavily on the causes and consequences of problems this book is devoted to analyzing possible solutions It maintains a sense of sociological objectivity throughout and without moralizing describes what could be done in America and on a global scale through government policies private sector initiatives and the collective actions of citizens to address even our most pervasive social problems

Social Problems Anna Leon-Guerrero, 2015-06-18 Empower your students to become part of the solution With a clear and upbeat voice author Anna Leon Guerrero's thought provoking overview of social problems challenges readers to understand and recognize social problems in their communities and inspires them to become part of the solution The Fifth Edition of Social Problems Community Policy and Social Action goes beyond the typical presentation of contemporary social problems and their consequences by emphasizing the importance and effectiveness of community involvement to achieve real solutions With an overarching focus on social inequalities and policy this proven text provides a platform for discussion that encourages critical thinking and inspires hope The extra emphasis on social action and movements is a real strength I like that the three major perspectives are used in each chapter as I feel many texts just put that in the first chapter and then
