Something Happened Joseph Heller,1974 SOMETHING HAPPENED Joseph Heller,2011-09-07 Bob Slocum was living the American dream He had a beautiful wife three lovely children a nice house and all the mistresses he desired He had it all all that is but happiness Slocum was discontent Inevitably inexorably his discontent deteriorated into desolation until something happened *Something Happened* is Joseph Heller s wonderfully inventive and controversial second novel satirizing business life and American culture The story is told as if the reader was overhearing the patter of Bob Slocum s brain recording what is going on at the office as well as his fantasies and memories that complete the story of his life The result is a novel as original and memorable as his *Catch 22* **Something Happened** Heller, Kurt,Joseph Heller,1979-04-01

Something happened Joseph Heller,1971 Something Happened Joseph Heller,1983-05-12 Bob Slocum was living the American dream He had a beautiful wife three lovely children a nice house and all the mistresses he desired He had it all all that is but happiness Slocum was discontent Inevitably inexorably his discontent deteriorated into desolation until something happened *Something Happened* is Joseph Heller s wonderfully inventive and controversial second novel satirizing business life and American culture The story is told as if the reader was overhearing the patter of Bob Slocum s brain recording what is going on at the office as well as his fantasies and memories that complete the story of his life The result is a novel as original and memorable as his *Catch 22* The Art of Excess Tom LeClair,1989 **Encyclopedia of American Humorists** Steven H. Gale,2016-04-14 First published in 1988 this book contains entries on famous American Humorists Humor has been present in American literature from the beginning and has developed characteristics that reflect the American character both regional and national Although American literature was in the past treated as inferior to British literature there has always been a large popular audience for the genre which this book shows The figures with entries in this encyclopedia not only amuse in their writing but also aim to enlighten setting out to expose the foibles and foolishness of society and the individuals who compose it It is the manner in which these authors try to accomplish this end that determines whether they appear in the volume Indeed the book will demonstrate that the best humor has at its base a ready understanding of human nature Psychological Politics of the American Dream Lois Tyson,1994 While it is reasonable to assume that our national literature would offer a fertile field in which to explore the interaction between the ideological and psychological dimensions of American life critics generally have kept these two domains separate and the dominant model has consisted of an archaic notion of the individual in society The American Writer and the University Ben Siegel,1989

Character and Satire in Post War Fiction Ian Gregson,2008-06-01 This book new in paperback offers new readings of novels by major British and American postwar novelists **The Business of America** Graham Thompson,2004-03-20 *The Business of America* examines the complex linking of business and nationhood in post war United States literature against the backdrop of changing concepts of the nation in the field of American Studies The first part of the book examines how

white male literary culture has been largely hostile to business during this period and how it has represented transnational shifts in the nature of business as threats to supposedly American values like the individual the family or freedom The book charts the way that such an uneasiness towards business relies upon a discourse about America business and empire that is increasingly untenable in the post war world By way of comparison The Business of America looks at how literature by women and by writers from different racial ethnic and sexual groups often deals with business from the more localised angle of work Graham Thompson shows how this attention to work provides a less abstract and more oppositional approach to the connection between business and America *The Contemporary Novel* Irving Adelman,Rita Dworkin,1997-10-09 In this new edition what was already an expansive work has been updated and further enlarged to include information not only on American and British novelists but also on writers in English from around the world *Reader's Guide to Literature in English* Mark Hawkins-Dady,1996 First Published in 1996 Routledge is an imprint of Taylor Francis an informa company
