**Steps** Jerzy Kosinski, 1997 From the esteemed author of *The Painted Bird* and *Being There* comes this award winning novel about one man's sexual and sensual experiences the fabric from which the shape of his life has been woven In this winner of the National Book Award for Fiction distinctions are eroded between oppressor and oppressed perpetrator and victim narcissism and anonymity Jerzy Kosinski's Steps: a Descriptive and Analytical Reading Michael Leon Segers, 1974

**Being There in the Age of Trump** Barbara Tapa Lupack, 2020-08-20 Jerzy Kosinski's *Being There* published in 1970 and adapted to film in 1979 was prescient in its vision of a simple man without discernible talent or political experience whose knowledge of the world comes almost exclusively from television Yet his very shallowness establishes him as a TV celebrity and propels him to the pinnacle of American government Both an incisive satire and a clarion call to resist the collectivizing force of the media that influences American life and shapes distorts and ultimately corrupts politics and culture *Being There* offered a trenchant comment on the nature of being in the modern world of power And it critiqued the tendency of Americans to seek mindless distraction rather than engagement and to find profundity in banal slogans and slick visuals Issued a half century ago Kosinski's warning not to let hollow imagery trump our good sense and become our new reality is even more urgent today The first book length examination of Kosinski in more than a decade *Being There in the Age of Trump* goes beyond conventional literary and film analysis to a larger interdisciplinary and cultural study of a work still timely and popular Living in Translation, 2021-11-01 *Living in Translation Polish Writers in America* discusses the interaction of Polish and American culture the transfer of the Central European experience abroad and the acculturation of major representatives of Polish literature to the United States Contributions written by American specialists in Polish Studies tell the story of contemporary Polish expatriates who recently lived or are currently living in the U S These authors include directors screen writers Roman Polanski and Agnieszka Holland the Nobel Prize laureate poet Czeslaw Milosz theatre critic Jan Kott prose writer Jerzy Kosinski essayist Eva Hoffman and poet translator Stanislaw Baranczak *Living in Translation* presents these and other writers in terms of the duality of their profiles resulting from their engagement in two different cultures It documents problems encountered by those who became expatriates in response to a totalitarian system they had left behind And it revises and updates the image of the Polish exile authors refocusing it along the lines of culture transfer border straddling and benefits resulting from a transcultural existence The Contemporary Novel Irving Adelman, Rita Dworkin, 1997-10-09 In this new edition what was already an expansive work has been updated and further enlarged to include information not only on American and British novelists but also on writers in English from around the world
