Bullying Awareness Stories

Robert R. Redfield

Bullying Awareness Stories:

Classroom Bullying Prevention, Pre-K-4th Grade Melissa Allen Heath, Tina Taylor, Mary Doty, 2013-01-03 Featuring 20 selected bully themed children's picture books this teacher friendly resource book offers lesson plans and activities to assist educators in strengthening bystander support against bullying Classroom Bullying Prevention Pre K 4th Grade Children's Books Lesson Plans and Activities provides strategies to deter and prevent bullying a serious and widespread social problem that starts early and causes great harm to not only the victims but also the bullies themselves The book's content and the included lesson plans are specifically designed to supplement school wide efforts to reduce and eliminate bullying The lesson plans enable students to understand the importance of environments where everyone feels welcomed valued and respected Supplemented by creative illustrations and summarized tables of key information the book will be helpful to community and school librarians elementary school teachers and paraprofessionals serving pre K through 4th grade students Additionally school based mental health professionals such as school counselors psychologists and social workers can utilize the book's resources to teach social skills in classrooms and group counseling sessions

Stand Up to Bullies Sophia Day, Kayla Pearson, 2019-09-06 Three short stories guide young readers how to make better decisions when dealing with bullies in this helpful character education resource Starring the MVP Kids Includes discussion guides for parents others have large families Some are recent immigrants others date back to the Pilgrims About S T A N D mini series The character traits imparted by STAND kids include confidence builders a reminder about telling grown ups practical advice for situational awareness and a reminder to never bully or react to bullies in ways that make you angry or hurtful Young readers will recognize the traits reinforced in each story The back matter recaps the STAND pledge making it easy to share in co reading or group discussion The pledge relates to how the stories end in different ways with some bullies reformed and others not and school leaders contacted as a way to help and more 1 STAND Up to Bullies help kids who are bullied by others 2 STAND Together Against Bullying inspire children to be upstanders instead of bystanders 3 STAND Down Bullies teach empathy and kindness to kids who struggle with bullying behaviors About the Help Me Become series The Help Me Become series hardcover and paperback books are for children ages 4 10 They promote character growth from dealing with real life social situations like bullying and bad sportsmanship to promoting character education traits like keeping a promise being responsible being truthful and more Each title in the series features three stories starring MVP Kids with Think hardcovers and paperbacks for school agers Each MVP Kids book includes extensive information for parents and educators to use to promote character education including social and emotional learning

Nobody! Erin Frankel, 2015 Thomas feels like no matter what he does he can't escape Kyle's persistent bullying At school at soccer nowhere feels safe Mom said Kyle would grow over the summer and stop picking on me but he didn't grow up he just grew With support from friends classmates and adults Thomas starts to feel more confident in himself and his hobbies while Kyle learns the importance of kindness to others

The book concludes with activity club pages for kids as well as information to help parents teachers counselors and other adults foster dialogue with children about ways to stop bullying

Reframing Bullying Prevention to Build Stronger School Communities James Dillon, 2015-03-18 Tackle underlying issues to get to the root of bullying James Dillon translates rich and insightful research on the dynamics of change into practical terms while probing deeply into the issues and why they persist in our schools to promote meaningful conversation among school staff and parents Inside you ll find Vignettes analogies and real life examples along with tools that illustrate the benefits of using alternative methods to prevent bullying Discussion on transforming the role of discipline to reframe bullying among teachers administrators and students Guidance on how to establish a school climate that promotes empathy and compassion instead of fear

A Tale of Two Stories Julie A Fragnito, 2021-07 Bully ve In Yourself Believe in Yourself This book features the Social Emotional Learning SEL principle friendships and managing relationships Flip through Lexi s side of the story to hear about her day at school with her best friend Melissa Then flip through Melissa s side of the story and watch her come to the realization that her best friend Lexi Drew might not be the greatest friend after all The book is rhyming throughout and will end with prompts for discussion on friendships and relationships in each of our lives Themes in this story include self awareness friendships managing and maintaining relationships and perspective A Tale of Two Stories Bully ve in Yourself Believe in Yourself is the debut book of my series A Tale of Two Stories The thing that makes this series unique is that there are quite literally two sides to the story When you read the book one way you will hear the first characters point of view and when you flip the book over and read it the other way you will hear another characters point of view of the same story This gives our young readers something tangible to aid in their learning of perspective and empathy How can this be implemented at home or in the classroom Each book in the series will feature different SEL principles geared towards ages 5 10 and are intended to be a touchstone for teaching rather than an independent read After reading each characters side of the story there will be a page of discussion points and questions for our young readers to engage in These books are for parents teachers and young readers alike Please join in making A Tale of Two Stories a staple on your bookshelf at home and in the classroom

Dare! Erin Frankel , 2012 Told from a bystander s perspective Jayla sees that Luisa has become the class bully s new target but she doesn t dare stand up to the bully for fear of being bullied

Jacob's Dream! Ronald W. Holmes Ph. D., 2016-04-22 This book teaches children about bullying and ways to stop it It provides colorful illustrations of the characteristics of the bully bully victim victim and bystander as well as some activities that can be implemented at the school by the building principal to stop bullying The book intends to capture children s imagination while developing their ability to learn and understand what to do when bullied Children can read the stories in Jacob s Dream and color the illustrations on each page which further enhances the learning process The book will be especially useful for elementary teachers as they can use the book to build student awareness of bullying and apply learning to practice

Childhood Bullying, Teasing, and Violence Dorothea M. Ross, 2003 This book

provides a comprehensive look at the problem of bullying by presenting the most current national and international research on the topic detailed techniques for counseling bullies and their victims and realistic strategies for involving parents and school personnel in preventing and discouraging the problem Developmental theory as it relates to aggressors and victims and the factors that foster bullying behavior are examined as are the devastating effects of this behavior on the children involved Additionally this resource includes a thorough discussion of childhood violence and offers specific school programs designed to combat violence and harassment Contains about 450 references an annotated bibliography and an index GCP

Real Life Bully Prevention for Real Kids Catherine DePino,2009-01-16 Many states currently mandate character education and school districts across the country need anti bullying education programs to counter the rising tide of aggression and relational aggression that is the norm among many students In fact many school districts now require teachers to include lessons on bully prevention in their curriculum *Real Life Bully Prevention For Real Kids* addresses this pervasive problem by offering students hands on activities Teachers will want to use this book in their classrooms with their students as part of the school s anti bullying curriculum As an added bonus the activities reinforce English language arts social studies and health education curricular goals Counselors therapists and school administrators can also use the activities in large and small group instruction Additionally leaders of after school programs and youth leadership programs such as scouting dramatics classes and religious education classes will find the activities helpful in addressing their bully prevention programs Each activity contains a description goals for children and helpful hints for adults to guide their youngsters through the program

What is Empathy? Amanda Morin,2020-04-28 Two sides to every story helping kids learn compassion and understanding Teach children ages 5 to 7 about empathy and putting themselves in someone else s shoes In this entry into bullying books for kids they ll read about how best friends Ava and Sofia handle a problem with bullying The story is told twice first from Sofia s point of view and then from Ava s so kids can experience how their feelings change when they see things from a different perspective When it comes to bullying books for kids this one stands out Everyone deserves understanding No matter how your child is experiencing bullying Ava s and Sofia s stories will show them skills that can help Talk about it Go beyond other bullying books for kids with discussion questions that encourage kids to think about why the characters might have done the things they did Beautiful illustrations Colorful artwork brings the story to life and makes this book fun to read Give kids the tools to practice kindness with *What is Empathy* everything that bullying books for kids should be

Bullied J. A,2013-01-22 About a young kid being bullied in school He goes through so much in such a little time This book is meant to raise bully awareness across the world This is one of the best bully awareness book in the world In this terrifying life this kid goes through he faces bullies teachers himself his parents and his suicidal thoughts

I've Got Your Back Lorna Blumen,Staci Schwartz,2016-04-12 Empower children to stop bullying in its tracks and let them know that caring adults will always have their backs *I've Got Your Back* Help Children Say Hello to Friends Goodbye to

Bullies will guide adults as they help kids build positive respectful friendships stand up for themselves and one another and develop empathy and self esteem With over 35 years of combined experience as bullying prevention specialists Lorna Blumen MS MBA and Staci Schwartz MD identify the crucial ingredients of bullying prevention and offer effective strategies to deal with bullying and help children develop grit and resilience I ve Got Your Back is short and action focused delivering key information to adults and kids ages 5 10 in separate and read together chapters Children s friendship stories that illustrate common bullying problems feature Stop Think questions for learning and discussion Now bedtime reading can equip children with lifelong relationship skills What s inside Bullying prevention essentials what kids and adults really need to know Engaging children s stories that offer action oriented bullying prevention strategies and encourage communication between adults and children Social skill building activities for adults and children to do together that help kids feel supported make friends navigate social situations and stop bullying Teachers will also love I ve Got Your Back All activities can easily be adapted for classroom use Adults must model and set the tone for kids bullying prevention I ve Got Your Back will inspire adults and children to become bully resistant upstanders

Confessions of a Former Bully Trudy Ludwig, 2012-07-10 After Katie gets caught teasing a schoolmate she s told to meet with Mrs Petrowski the school counselor so she can make right her wrong and learn to be a better friend Bothered at first it doesn t take long before Katie realizes that bullying has hurt not only the people around her but her too Told from the unusual point of view of the bullier rather than the bullied *Confessions of a Former Bully* provides kids with real life tools they can use to identify and stop relational aggression

Breaking the Culture of Bullying and Disrespect, Grades K-8 Marie-Nathalie Beaudoin, Maureen Taylor, 2004-01-23 Even in primary school students suffer from bullying aggression and harassment at the hands of other students Teachers and Headteachers deal with incidents of disrespect day in and day out taking valuable time and energy away from instruction and force teachers into the role of disciplinarian Often teachers and other educators resort to using stricter forms of control and behavior modification to stop bullying but usually this doesn t solve the problem and also threatens the student teacher relationship The fact is students don t want to be bullies but for many they feel it s their only option in a given situation By first understanding students experiences teachers and other educators can help students discover other options for dealing with problematic situations that avoid bullying aggression and harassment The authors provide ideas strategies and activities that promote respect responsibility and tolerance The authors a school psychologist and an elementary school teacher interviewed dozens of students and educators and have tested their strategies in dozens of schools The book includes numerous easy to implement activities along with programs and curricula appropriate for working with individual students classes and whole schools This accessible and jargon free resource includes first person quotes from students and teachers successful stories of students overcoming problems of bullying and disrespect frequently asked questions reflective questions examples of student work and a glossary
