Rentfro Jr.,2019-10-29 The Law of Freedom Justice and Mercy in the Practice of Law examines the legal and theological roots of the concept of equity and the implications that the diminishment of equity as a legal concept has for the moral dilemmas faced by the practicing lawyer Meditating on the book of Micah the book argues that the Christian duty asks for both strict justice and gracious mercy with the prophet s third value humility essential for both the individual lawyer and the legal system as a whole to balance strict justice and mercy *Library Collection*

The Holy Spirit and Worship Elizabeth A. Welch, 2020-12-15 The Holy Spirit has become a greater focus for attention in Trinitarian theology and in the life of the western church since the rise of Pentecostalism at the beginning of the twentieth century Different understandings of the Holy Spirit have impacted worship in a variety of ways This book looks at surprising overlaps in the thinking about relationship between the Holy Spirit and worship between two radically different traditions of the church represented by John Owen from the seventeenth century in England and John Zizioulas from the twentieth century in Greece Four threads of argument are identified flowing from the unexpected overlap between these two thinkers that are of value for the church today The first is the personal and relational nature of the Triune God drawing the human person into a deeper sense of relational identity The second is the immediacy of the encounter with God through the Holy Spirit in worship The third is the way in which the Holy Spirit leads people into truth The fourth is the transformative nature of the encounter with God in worship which draws people into sharing God's purpose for the transformation of the world
