Blood Type Diet [Second Edition] Valerie Lewis, 2013-03-31 Blood Type Diet Second Edition Featuring Blood Type Recipes Now
Second Edition with the following changes New introduction New recipes Improved formatting and editing A blood type diet
is one in which you aim to eat the right foods for your type of blood Four different blood types determine the blood type diet
food list The blood types diet covers type O A and AB The thought is that blood types and diet plays a major role in the health
of the person Each blood type has specific foods that are allowed and not allowed for consumption Peter D Adamo who
pioneered the diet plan bases the diet plan very much on the book and research He fully believes that blood type and diet are
directly related and we should consume foods or diets for blood types to match each person This book has an information
section explaining all about the blood type diets the theory behind the thought and goes over the foods list The largest part of
the book covers actual recipes for each blood type type O type A and type AB Each recipe section contains appetizers
desserts breads main dishes and side dishes Many of the recipes can be interchanged with some or all of the other blood
types Paying attention to the allowable and not allowable foods list helps to determine which recipes can go best with each
blood type The recipes in this book cover specifically for each blood type for quick and easy reference Here are a sampling of
