Mystics have passed down stories of magical realms hidden from mortal sight bridging the world of Nature and Spirit Even before the written word the ancients established a Divine partnership between humans and these Hidden Realms Both agreed to form an eternal Sacred Alliance to establish harmony and balance between the material and the spiritual The Alliance ensured that when we asked for guidance in manifesting our reality they would help us find our way to the highest good for all But in time humanity turned itself away from the natural world as a source for the Divine and forgot about the realms in the Unseen realities Religious superstition dominance and the power of intellect reason and technology became our focus and our partnership was forgotten so the realms faded away As our global concerns have increasingly been more plaintive they have returned to help us find our way home to our true purpose prosperity hope and happiness These cards represent some of those realms and their Queens and Kings Princes and other magical helpers Let the Swan Queen point the way to transformation the Arrow Master help you reach your goals the Sun Dancers herald your victories and the Sacred Union speak to the depth of your longing for love Ask and ye shall receive for the Highest Good is their motto If you call upon them they will answer You're in the Right Place Colette Baron-Reid,2025-06-24 An updated edition of Uncharted The Journey Through Uncertainty to Infinite Possibility Take a powerful journey of self discovery and gain practical tools for manifesting your desires and co creating a new reality You re being called forth into uncharted territories away from the familiar ways that don t work anymore to discover yourself and the in finite potential for your life Your challenge is to release your fears and surrender fully to Spirit trusting that no matter what you are where you re meant to be It s in these as yet undiscovered places within us that we come to recognize our authentic selves what we can be and what we can co create with Spirit We need a different kind of map not one that tells us where we ve been but one we fill in as each new experience changes us into who we need to be to live our destiny In this book you ll learn to draw your own Map of the soul as spiritual cartographer Colette Baron Reid guides you through the five interconnected realms of co creation and self evolution You ll connect to your intuition in the Realm of Spirit and meet your ego in the Realm of Mind In the Realm of Light you ll experience transformation as you illuminate the darkness reclaim lost parts of yourself and reprogram your subconscious Then you can consciously direct the forces influencing you in the Realm of Energy before seeing the results of your self evolution manifested in the material world in the Realm of Form At every step you learn to harness your personal power break patterns of suffering and make friends with uncertainty as you venture into the uncharted where magic happens
