**"Divide and Rule"** Peter Hadden,1980      *Divide and Fall?* Radha Kumar,1999-06-17 Divide and Fall the first full length analysis of the post Cold War revival of ethnic partition is a major intervention in the study of international relations Radha Kumar examines the carve up of Bosnia comparing it to earlier divisions of Ireland India Palestine and Cyprus

**Propaganda and the Cyprus Revolt** Maria Hadjiathanasiou,2020-05-14 During the EOKA period of Greek Cypriot revolt against British colonial rule the Greek Cypriots and the British deployed propaganda as a means of swaying allegiances both within Cyprus and on the international scene Propaganda and the Cyprus Revolt places new emphasis on the vital role propaganda played in turning the tide against British colonial control over Cyprus Examining the increase of violence and coercion during this period of revolt this book examines how the opposing sides mobilization of propaganda offered two alternative visions for the future of Cyprus that divided opinion to the ultimate detriment of British counterinsurgency efforts Detailing the deployment of propaganda by both parties across radio television and print channels the book draws upon previously unpublished archival material in order to paint a detailed picture of how the British Empire lost control over the hearts and minds of the Greek Cypriot people This study shines new light on a crucial period of Cypriot history and contributes to wider transnational debates around the use of propaganda and the end of empire This will be an essential read for students of Cyprus history and British colonial history      **Divide and Rule** Peter Hadden,2020-05-05

Written forty years ago Divide and Rule is a socialist classic which argues that the partition of Ireland was a conscious act of the British ruling class in order to cut across a working class movement with revolutionary potential Importantly it argues that this was not inevitable but that with a socialist programme and the leadership a united movement of workers have the capacity to cut across sectarian division and challenge imperialism and capitalism itself Herald Books the publishing house of the Socialist Party has reprinted Divide and Rule as we approach the centenary of partition so workers and young people can draw the lessons of this historic period and apply them to the struggle for socialism today      Early American Proverbs and Proverbial Phrases Bartlett Jere Whiting,1977 p B J Whiting savors proverbial expressions and has devoted much of his lifetime to studying and collecting them no one knows more about British and American proverbs than he The present volume based upon writings in British North America from the earliest settlements to approximately 1820 complements his and Archer Taylor s Dictionary of American Proverbs and Proverbial Phrases 1820 1880 It differs from that work and from other standard collections however in that its sources are primarily not literary but instead workaday writings letters diaries histories travel books political pamphlets and the like The authors represent a wide cross section of the populace from scholars and statesmen to farmers shopkeepers sailors and hunters Mr Whiting has combed all the obvious sources and hundreds of out of the way publications of local journals and historical societies This body of material because it covers territory that has not been extracted and compiled in a scholarly way before can justly be said to be the most valuable of all

those that Whiting has brought together according to Albert B Friedman What makes the work important is Whiting's authority a proverb or proverbial phrase is what BJW thinks is a proverb or proverbial phrase There is no objective operative definition of any value no divining rod his tact feel experience determine what's the real thing and what is spurious
