When Dr. Blake Hunter discovers Casey Edwards wandering along the road in Sweetwater, Georgia, she's a woman without a past, her memory stripped of the terrifying events that shattered her innocence a decade ago. The scrap of paper she clutches in her hand bears the address to Swan House, the magnificent mansion where

Casey's mother lives with her mysteriously ailing husband. Yet home turns out to be anything but a safe haven. Casey is determined to untangle the web of secrets that surround her. The answers lay somewhere within Swan House and its lavish gardens, but someone wants Casey out of the way before she remembers too much. It will take the strength she's always had and the love she's just found to uncover her past and claim her future. One woman fights for her family and her heart in this novel of redemption from the #1 New York Times bestselling author of the Sisterhood novels. Fern Michaels, New York Times bestselling author of *Finders Keepers*, dazzles readers once again with the unforgettable story of one woman's life: the betrayal that nearly destroys her, the love that helps her heal, and the struggle to find the truth about herself and the man she thought she knew. An only child who lost both parents during her first year at college, wealthy heiress Kristine Kelly had made her husband her whole world. But she didn't see what everyone else did: that handsome, charismatic Logan Kelly was a manipulator and a user. Then one cold December, Kristine got a chilling wake-up call when Logan vanished along with the eight million dollar trust fund she had naively given him the power to control. Just when Kristine's life was at its lowest point, banker Aaron Dunwoodie offered her passion, a strong shoulder to lean on, and a relationship to believe in. But a woman once fooled is twice wary and very vulnerable. There were still too many questions Kristine needed to answer before she could commit her heart again: what really happened to Logan, what did she truly want for herself, and what would she do if Logan, a dangerous, seductive, and yet irresistible man, walked back into her life. Praise for Fern Michaels: Prose so natural that it seems you are witnessing a story rather than reading about it. Los Angeles Sunday Times. She never disappoints. RT Book Reviews [Plain Jane](#) Fern Michaels, 2021-02-23

A fan favorite classic Fern Michaels novel beautifully repackaged for fans old and new. Back in college, Jane Lewis would have given anything to be like homecoming queen Connie Bryan. Instead, she was just Plain Jane, a painfully shy wallflower no one would remember. That was then. Today, a lovely and confident Dr. Jane Lewis has a thriving psychotherapy practice, her own radio talk show, a beautiful old Louisiana mansion, and her affectionate nutty dog Olive to keep her company. The only thing missing is someone to share her life. Jane has never forgotten Michael Sorenson, the boy she'd admired from afar in college. Now he's inspiring her to hope for a future together. She's also never forgotten the brutal, unsolved attack that ended Connie Bryan's life and haunts Jane still. Suddenly, the present collides with the past as she finds clues into the identities of Connie's attackers, clues that send her into a world of risk and excitement, challenging her to become a truly extraordinary woman if she dares. **Lethal Justice** Fern Michaels, 2017-02-28
